## Product Description

### Product Description:

Our LED Flood Light is a great choice for lighting large areas such as stadiums, sports fields, playgrounds, building facades, and parking lots. Its advanced light source, LED, is energy efficient and its long working time of 50,000 hours ensures that you can use it for a long period of time. Our flood light is made of high-quality aluminum, providing sturdiness and durability. It also comes with a carton box for easy transportation and storage. The lifespan of our LED flood light is up to 50,000 hours, and its warm white, 4000K color temperature is perfect for any lighting project. With our LED Flood Light, you can enjoy bright and comfortable lighting in any stadium or outdoor space.
