Product Description

Product Description:

LED Flood Light is a perfect outdoor lighting solution for commercial and industrial applications. It is made of high-quality aluminum, which ensures durability and corrosion resistance. With a CRI of >80, it provides excellent color rendering. This waterproof floodlight produces a luminous flux of 19500lm, which is ideal for illuminating large areas. It comes with a 4000K warm white light source and a 400W outdoor lamp for added brightness. The lamp is IP65 waterproof and provides a bright, reliable light even in wet conditions. It is packed in a carton box, making it ideal for transportation.

Features:
