- Unit Size: 600\*350\*17mm
- Highlight: 120degree led solar lights outdoor waterproof, 3000lm solar tube lights for home, 120 degree solar tube lights for home

## Product Description

### Product Description:

Outdoor Solar LED Lights is the perfect choice for anyone looking for reliable and energy-efficient lighting. These lights are powered by the sun, using a solar module to store energy and provide the power needed to operate the lights. Their 120° lighting viewing angle provides ample illumination for outdoor areas, such as gardens, pathways and driveways. The 3000lm lumen output ensures a bright and consistent light with no need for additional lighting sources. The lights are made of aluminium alloy, making them durable and strong enough to withstand any weather conditions. Additionally, they are certified with ISO/CE/ROHS/IP65, guaranteeing excellent quality and safety. The suggested mounting height is 3-5m, giving you the flexibility to choose the best spot for your lights. With Outdoor Solar LED Lights, you can enjoy reliable outdoor lighting without having to worry about power bills.
