Support and Services:

We provide technical support and services for Outdoor Solar LED Lights. Our experts can assist you with troubleshooting, installation and product maintenance. We also offer replacement parts and accessories for our products. For any queries, you can contact our customer service team who are available 24/7 to answer all your questions and help you get the most out of your Outdoor Solar LED Lights.

Packing and Shipping:

Packaging and Shipping

Outdoor Solar LED Lights are packaged in strong, yet lightweight corrugated cardboard boxes. The product itself is securely placed inside the box and wrapped in protective bubble wrap. All necessary paperwork, including a packing slip and invoice, is included in the box.

The boxes are then securely sealed with packaging tape. For extra protection, each box is also wrapped in an additional layer of thick plastic film. All orders are shipped with insurance to cover any loss or damage.
