

150W Good Quality Ufo Led High Bay Light Lighting Ndustry With Competitive Price

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: CE NSF DLC FCC
- Model Number: YHZ-UFO-150W
- Minimum Order Quantity: 1 piece
- Price: USD 23.5-23.9
- Packaging Details: 150W ufo high bay light package Dim: 500*160*38mm N.W:13.6KG 10Pcs a carton CTN Size:450*394*525mm
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/P, T/T
- Supply Ability: 50000 piece per month

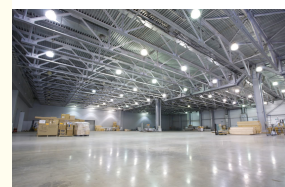

Product Specification

- Power: 150W 200W 300W
- PF: >0.95
- Input Volotage: AC 85-265V/50~60Hz
- C/T: 4000K
- LED Luminous: 17000LM
- IP Rating: IP65
- Application: Warehouse
- Warranty: 2 Years
- Lighting Source: LED
- Control Mode: Switch Control
- Highlight: Industry Led Ufo High Bay Light, Ufo Led High Bay Lighting, Ufo Led High Bay Light 150W

Product Description

150W good quality ufo led high bay light lighting ndustry with competitive price

Figure and size of Lamp body: $\Phi 344.0\text{mm} \times 126.9\text{mm}$

1. character and application

Product installation is convenient and simple. The product is made of aluminum alloy, which makes the product strong and durable, and the power source has good heat dissipation. It effectively prolongs the service life of the product. This lamp is suitable for installation at a height of 6-12 m.

2. Light source characteristics

Adopt domestic famous brand SMD light source, which has high brightness, small light attenuation and longer service life.

3. Power supply characteristics

Adopt high-stability isolated constant current power supply scheme, it has the characteristics of over-temperature protection, wide voltage range, high power factor, high efficiency and good heat dissipation effect.

4. Heat sink feature

Adopt high-purity aluminum radiator with high thermal conductivity. The aluminum radiator is specially designed, which increases the radiating area, enhances the heat exchange efficiency of cold and hot air, which can reduce the temperature of the light source and ensures the stability of the product function, and has a longer service life.

5. Installs Way

Hoisting

6. product application

It is suitable for supermarkets, large workshops, steel mills, warehouses, highway toll stations, gas stations, large supermarkets, exhibition halls, gymnasiums, bus waiting rooms, railway station waiting rooms and other places requiring high space lighting.

Product series	GKD-ZG-150W
Input voltage	AC 100-265 ~ 50/60Hz
Power	150W±5%
Light effect	95-105 lm/W
Luminous flux	14250-15750 lm
light emitting diode	165pcs * SMD2835
Color temperature	6000k/4000k/3000k
Color rendering index	CRI> 70
Color tolerance adjustment	≤10SDCM
Power factor	≥0.95
THD	≤10%
Efficiency	≥88%
Working temperature	-25℃— +40℃
Service life	30000 H
IK/IP protection level	IK08/IP65
Insulation grade	Class I
Surge protection	4KV
Installs Way	Hoisting
External dimensions	φ344.0mm * H126.9mm
Net weight	2.80 kg
Gross weight	3.42kg
Size of color box	355mm*355mm*165mm
