

20 Years+ Solar Power Street Light Pole 355MPA Wind Resistance 100 - 180 Km/H

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SLP
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Customized Service: Available
- Shipping Time: 3-7 Days
- Minimum Ultimate Tensile Strength: 490MPA
- Max Ultimate Tensile Strength: 620MPA
- Welding: Welding Confirms With The International Welding Standard Of CWB
- Surface Treatment: Hot Dip Galvanized, Powder Coating
- Installation Height: 4-12m
- Ground-mounted: Buried
- Highlight: **Galvanized Solar Power Street Light Pole ,
Street Light Pole 355MPA,
180Km/H LED Street Light Pole**

Product Description

Product Description:

LED Street Light Pole is a high-performance, long lasting, and reliable solution for outdoor lighting. It is constructed with an advanced galvanized steel that provides a minimum yield strength of 355MPa and a minimum ultimate tensile strength of 490MPa. The pole is designed to withstand wind pressure up to 100 km/h to 180 km/h, ensuring that it can resist strong winds and other extreme weather conditions. It is also backed by a 20-year warranty, giving you peace of mind that your investment will be safe and secure. Additionally, it offers quick and efficient shipping time, as it can be delivered within 3-7 days. Solar Panel Street Lamp Post and Galvanised Street Light Pole are ideal solutions for urban lighting, public parks, and other outdoor spaces. With LED Street Light Pole, you will be able to enjoy brighter and more reliable lighting for years to come.

Features:

Product Name: LED Street Light Pole
Mast assembly: No Welding On Site/slip Joint
Warranty: 20 Years+
Ground-mounted: Buried
Joint of poles: Insert Mode, Inner Flange Mode, Face-to-face Joint Mode
Minimum yield strength: 355MPa
Solar Power Street Light Pole
Solar Panel Street Lamp Post
Solar Panel Street Lamp Post

Technical Parameters:

Parameter	Data
Design of pole	Against Earthquake Of 8 Grade
Surface treatment	Hot Dip Galvanized, Powder Coating
Warranty	20 Years+
Mast assembly	No Welding On Site/slip Joint
Ground-mounted	Buried
Max ultimate tensile strength	620MPa
Minimum yield strength	355MPa
Installation height	4-12m
Customized service	Available
Joint of poles	Insert Mode, Inner Flange Mode, Face-to-face Joint Mode

Applications:

Yahua Lighting's YHZ-SLP Solar Power Street Light Pole is a galvanized street light pole manufactured in China, with a delivery time of 5-8 days. It is certified with CE, IP65, ROHS and ISO, and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. With a minimum yield strength of 355MPa, the pole can be assembled in three ways: Insert Mode, Inner Flange Mode, and Face-to-face Joint Mode. Shipping time for the pole is 3-7 days, and it is designed to withstand earthquake of 8 grade, with no welding required on site or slip joint.

Customization:

Yahua Lighting provides custom services for LED Street Light Poles. Our model number is YHZ-SLP, which is certified with CE IP65 ROHS ISO. We provide 5-8 days delivery time and accept payment terms of L/C, D/A, D/P, T/T, Western Union, MoneyGram. Our LED Street Light Poles have a 20-year + warranty and are available for customization. They are designed to withstand wind pressures of 100 km/h to 180 km/h, and can be either ground-mounted or buried. The installation height ranges from 4-12m. We are specialized in Solar

Panel Street Lamp Post, Solar Power Street Light Pole, Solar Power Street Light Pole, Solar LED Street Light Pole.

Support and Services:

Technical support and services for LED Street Light Pole include:

Installation and maintenance support
Troubleshooting and repair assistance
Remote support and diagnostics
Software updates and upgrades
Replacement parts and accessories

Packing and Shipping:

Packaging and Shipping of LED Street Light Pole

LED Street Light Pole will be shipped in a strong, cardboard packaging. The packaging is designed to protect the product from any possible shock and damage during the delivery process.

We use reliable and trusted shipping companies to ensure the LED Street Light Pole arrives to its destination in perfect condition. The delivery time of LED Street Light Pole is usually 3-5 business days.

FAQ:

Q1: What is the brand name of the LED Street Light Pole?

A1: The brand name is Yahua Lighting.

Q2: What is the model number of the LED Street Light Pole?

A2: The model number is YHZ-SLP.

Q3: Where is the LED Street Light Pole manufactured?

A3: The LED Street Light Pole is manufactured in China.

Q4: What certifications does the LED Street Light Pole have?

A4: The LED Street Light Pole is certified by CE IP65 ROHS ISO.

Q5: What is the delivery time and payment terms of the LED Street Light Pole?

A5: The delivery time of the LED Street Light Pole is 5-8 days, and the payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram.
