New Style White Outdoor Galvanized Street Light Pole 2.5m 3m 4m 5m 6m Cast Aluminum Street Light Pole

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SLP
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

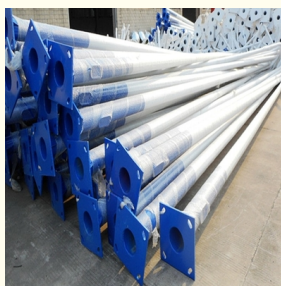

Product Specification

- Ground-mounted: Buried
- Customized Service: Available
- Mast Assembly: No Welding On Site/slip Joint
- Wall Thickness: 4mm-4.5mm
- Max Ultimate Tensile Strength: 620MPa
- Shipping Time: 3-7 Days
- Surface Treatment: Hot Dip Galvanized, Powder Coating
- Minimum Yield Strength: 355MPa
- Highlight: Outdoor Galvanized Street Light Pole,
2.5m Galvanized Street Light Pole,
Die Cast Aluminum Street Light Pole

Product Description

Product Description:

Our LED Street Light Pole is designed to be resistant to earthquakes of 8 grade, and its minimum ultimate tensile strength is up to 490MPa and minimum yield strength is 355MPa. With a variety of installation heights from 4-12m, this street light pole is a great choice for any outdoor lighting project. The pole is finished with hot dip galvanizing or powder coating which ensures superior corrosion resistance and high durability. This Solar Panel Street Lamp Post is the perfect solution for any environment with its galvanised street light pole and street light poles design.

Features:

Product Name: LED Street Light Pole
Design of pole: Against Earthquake Of 8 Grade
Customized service: Available
Installation height: 4-12m
Surface treatment: Hot Dip Galvanized, Powder Coating
Mast assembly: No Welding On Site/slip Joint
Galvanised Street Light Pole
Solar Panel Street Lamp Post
8 Grade Earthquake Resistance

Technical Parameters:

Technical Parameter	Description
Shipping time	3-7 Days
Installation height	4-12m
Wind speed	Against Wind Pressure Of 100 Km/h To 180 Km/h
Joint of poles	Insert Mode, Inner Flange Mode, Face-to-face Joint Mode
Ground-mounted	Buried
Minimum yield strength	355MPa
Wall thickness	4mm-4.5mm
Warranty	20 Years+
Customized service	Available
Surface treatment	Hot Dip Galvanized, Powder Coating

Applications:

Yahua Lighting's YHZ-SLP LED Street Light Pole is an ideal lighting solution for outdoor areas such as streets, parks, walkways and parking lots. With its high-strength galvanised steel construction, this street light pole is designed to withstand high wind speeds of up to 180km/h, and a wall thickness ranging from 4mm to 4.5mm. It also has a maximum ultimate tensile strength of 620MPa, and is certified with CE IP65 ROHS ISO, ensuring its highest quality and safety standards. This Solar Power Street Light Pole is perfect for those looking for a durable and reliable lighting solution. It has a fast delivery time of 5-8 days, with a customized service of OEM Street Light Pole available. Furthermore, it offers a range of payment terms including L/C, D/A, D/P, T/T, Western Union and MoneyGram, and shipping time of 3-7 days.

Customization:

Yahua Lighting provides custom-made LED Street Light Pole with reliable quality, CE IP65 ROHS ISO certification, and various installation heights. The poles are made of galvanised steel with minimum yield strength of 355MPa and minimum ultimate tensile strength of 490MPa. Three joint modes are available, including Insert Mode, Inner Flange Mode, and Face-to-face Joint Mode. Delivery time is 5-8 days and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Customized service is also available.

Support and Services:

We provide technical support and services for our LED Street Light Pole product. Our technical support staff are available 24/7 to answer any inquiries you may have about our products. Whether it is troubleshooting a malfunctioning LED pole, helping you install a new one, or providing advice on how to keep your LED poles running efficiently, our team is always ready to help.

We also provide regular maintenance and repair services for our LED Street Light Poles. Our technicians can assess any problems and perform necessary repairs in order to keep your lighting system running smoothly. We also provide preventive maintenance to help prevent any future problems.

We are committed to providing the highest level of customer service and support for our LED Street Light Poles. If you have any questions or need assistance with your lighting system, please do not hesitate to contact us.

Packing and Shipping:

LED Street Light Pole Packaging and Shipping: -----

The product is packaged in a sturdy cardboard box.

It is shipped to the customer via a reliable courier service.

We provide tracking numbers so customers can track their orders.

The product is insured during transit to protect against any damages.

FAQ:

Q1: What is the Brand Name of this LED Street Light Pole? -----

A1: The Brand Name of this LED Street Light Pole is Yahua Lighting.

Q2: What is the Model Number of this LED Street Light Pole?

A2: The Model Number of this LED Street Light Pole is YHZ-SLP.

Q3: Where is this LED Street Light Pole made?

A3: This LED Street Light Pole is made in China.

Q4: What certifications does this LED Street Light Pole have?

A4: This LED Street Light Pole has CE IP65 ROHS ISO certifications.

Q5: What is the Delivery Time for this LED Street Light Pole?

A5: The Delivery Time for this LED Street Light Pole is 5-8 days.
