### Applications:

Yahua Lighting YHZ-FL LED Flood Light is one of the most popular choices for outdoor lighting. With its IP66 rating, waterproof and dustproof performance, it is ideal for both indoor and outdoor applications. The LED floodlight is made of aluminum which helps to provide excellent heat dissipation and long-lasting performance. The high CRI (color rendering index) of >80 ensures true and accurate colors. It also comes with a wide range of color temperatures from 2700K to 6000K, allowing you to choose the perfect lighting according to your needs. The minimum order quantity is 1 and the price ranges from USD19-149. The package includes foam, carton plus, and wooden case. The typical delivery time is 3-7 days. Payment options include T/T, Western union, Paypal, and Credit Card. The supply ability of Yahua Lighting YHZ-FL LED Flood Light is 8000 pcs per month. It is also certified with CE, ROH, IP65, and ISO9001.
