## Product Description

### Energy Saving High Lumen P66 Waterproof Outdoor lighting SMD LED Flood Light

#### Product Description:

Our LED Flood Light 200W is an ideal outdoor lighting solution for commercial and industrial use. It is a high-mast LED flood light with an output of 30000lm that provides excellent illumination for large outdoor areas. The long working time of 50000 hours and the CRI of more than 80 makes it highly durable and ensures an outstanding color rendering index. The adjustable color temperature from 2700k to 6000k allows you to customize your lighting system according to the needs of the environment. This LED flood light is perfect for outdoor billboards, warehouses, stadiums, parking lots and more.
