## High Performance Die Cast 11000 Lumens All In One Solar Panel For Street Light Built-In Battery

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-55
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

### Product Specification

- Light Post: Available
- Lighting Mode: Time Control/Light Control
- Warranty: 3 Years
- Lighting Time: 12 Hours
- Power: 60W
- Battery: Lithium Battery 12.8v36ah
- Solar Panel: 18V 80W Monocrystalline Silicon
- Backup Time: 6-8 Rainy Days
- Lighting Time: 12-14 Hours One Night
- Highlight: **Monocrystalline Silicon Solar Street Lighting System**  
**, 11000 Lumens Solar Panel Street Light,**  
**Solar LED Street Light 60W**

## Product Description

### Product Description:

Solar Panel Street Light is a kind of solar street lighting system powered by solar energy. It is made of high-quality aluminum alloy material with a waterproof level of IP65, which is durable and reliable for long-term outdoor use. The weight of this product is 5.5kg, and its color temperature is 5000K-6000K. It adopts monocrystalline silicon solar panel, which is more efficient and can absorb sunlight more effectively. With this solar street lighting system, you can get clean and renewable energy and illuminate the dark roads, pathways and yards. Solar Powered Path Lights help to reduce electricity bills and protect the environment. It is a perfect and cost-effective lighting solution for outdoor lighting.

### Features:

Product Name: Solar-Panel Street-Light

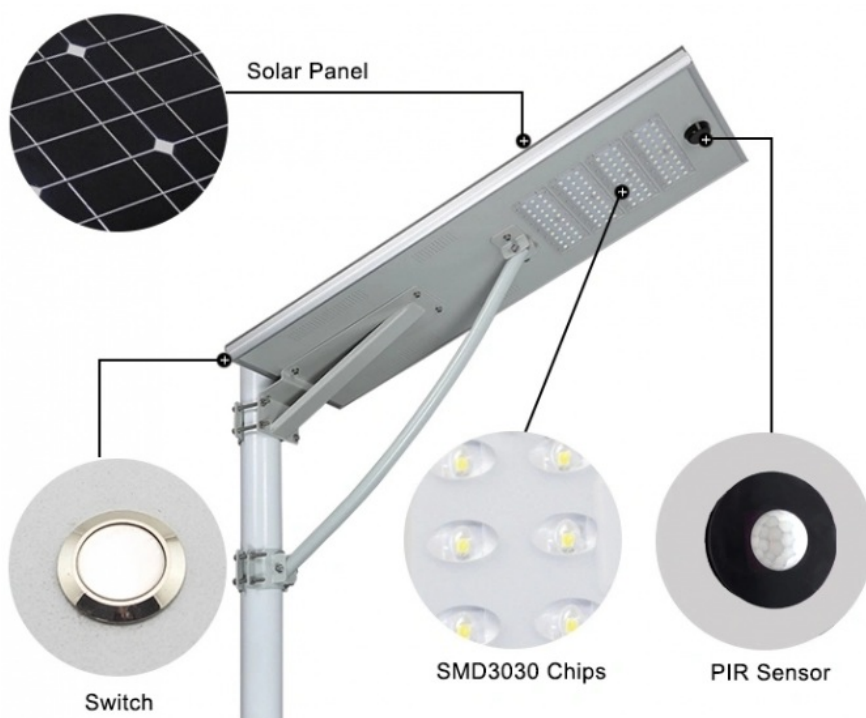

Solar Powered Streetlighting, Solar Powered Outdoor Lighting, Solar Powered Streetlighting System

Solar Panel: Monocrystalline Silicon

Power: 200W 300W

Warranty: 3 Years

Material: Aluminum Alloy

Technical Parameters:

Product Name	Solar Panel Street Light
Color Temperature	5000K-6000K
Warranty	3 Years
Power	200W 300W
Lighting Time	12 Hours
Solar Panel	Monocrystalline Silicon
Light Post	Available
Component	LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller
Weight	5.5kg
Battery	Lithium Battery
Keywords	Solar Powered Street Lamp, Solar Powered Street Lights, Solar Powered Path Lights

Applications:

Yahua Lighting's YHZ-SSL Solar Panel Street Light is the perfect solution for outdoor illumination. This solar powered streetlighting is designed with a CE IP65 ROHS ISO certification, making it an ideal choice for a variety of applications. With a minimum order quantity of 1, the price for the YHZ-SSL is USD19-55. Packaging for this product is anti-collision and shatterproof, and delivery time is 5-8 days. Payment terms are T/T, Western Union, or MoneyGram. Yahua Lighting offers a supply ability of 1000Pcs/month, and a product warranty of 3 years. The YHZ-SSL is IP65 waterproof, and has a colour temperature of 5000K-6000K. The weight of the product is 5.5kg, and the lighting time is 12 hours. Solar Panel Street Light is perfect for applications where energy efficiency and sustainability are key. Solar powered streetlights are a great way to save money with long-term cost savings and reduced pollution.

Customization:

Customized Solar Panel Street Light by Yahua Lighting

Brand Name: Yahua Lighting  
Model Number: YHZ- SSL  
Place of Origin: China  
Certification: CE IP65 ROHS ISO  
Minimum Order Quantity: 1  
Price: USD19-55

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Power: 200W 300W

Material: Aluminum Alloy

Working Temperature: -20°C-60°C

Light post: Available

Lumen: 6000lm

Yahua Lighting offers the highest quality Solar Panel Street Lights for your solar powered street lighting needs. Our Solar Powered Street Lights are designed to be energy efficient and provide bright light for extended periods of time. With our Solar Panel Street Lights, you can rest assured knowing your streets will always remain illuminated even during power outages. We provide a variety of models with power outputs ranging from 200W to 300W with lumen output up to 6000lm. Our Solar Powered Street Lights are designed to last in even the harshest of weather conditions. We use only the highest quality materials such as aluminum alloy and are certified CE IP65 ROHS ISO. We also provide light posts and anti-collision and shatterproof packaging. With our Solar Panel Street Lights, you can be sure you are getting a long-lasting, reliable source of illumination.

## Packing and Shipping:

Packaging and Shipping of Solar Panel Street Light

The solar panel street light is packed in a cardboard box. The box is filled with polystyrene foam to protect the product during transportation. It is then sealed with a plastic film to keep it secure.

The package is shipped via air freight or sea freight depending on the destination. The solar panel street light is usually shipped by sea freight for international delivery since air freight is more expensive.

The package is tracked and monitored throughout the shipping process. It is assured that the solar panel street light will reach its destination safely.
