

## IP66 60w 150w Integrated Lithium Battery Solar All In One Street Light Outdoor Solar Lamp

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD10-55
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

### Product Specification

- Power Name: 800W
- Number Of Led Chips: 186 Pcs SMD5730; 36 Pcs SMD5054
- Battery: LiFePO4 32Ah
- Lamp Size: 580\*H248mm
- PV Panel: A-level 4v/30w
- Discharge Time: 2-3 Rainy And Cloudy Days
- Function: Intelligent Light Control+remote Control+buletooth Music Rhythm
- Material: Die-casting Aluminum+PC(Anti-UV Material)
- Fitting: Remote Controller+S.S 304 Screws
- Lighting Area: 200 Square Meters
- Highlight: IP66 Outdoor Solar Lamp, Integrated Solar Panel Street Light 60w, Aluminum Outdoor Lithium Battery Solar Lamp

**Solar Panel Street Lighting System**

### Technical Parameters:

Light post	Available
Product Name	Solar Panel Street Light
Material	Aluminum Alloy
Working Temperature	-20°C-60°C
Component	LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller
Color Temperature	5000K-6000K
Warranty	3 Years
Power	200W 300W
Waterproof Level	IP65
Lumen	6000lm

## Explorer Warrior Solar Garden Light

### Product Parameter

Power	800W
Number of lamp chip	186 pcs SMD5730(W); 186 pcs SMD5730(WW); 36 pcs SMD5054(RGB)
Battery	LiFePO4 32Ah
Lamp size	φ580*H248mm
Photovoltaic panel	A-level polycrystalline silicon 4V/30W
Discharge time	2-3 rainy & cloudy days
Function	Intelligent light control+Remote control + Buletooth Music Rhythm
Material	Die-casting AL+PC(Anti-UV material)
CCT	WW/W/ 16million colors selectable
Product Configuration	Remote controller+S.S304 screws
Irradiation area	200 square meters

### Applications:

#### Yahua Lighting Solar Panel Street Light

Yahua Lighting's Solar Panel Street Light is a street lighting system powered by solar energy, designed to provide reliable and long-lasting lighting for outdoor areas such as roads, highways, parking lots, pedestrian pathways, and parks. With a minimum order quantity of 1, the price of this solar street light ranges from USD19-55, and it is packed with anti-collision and shatterproof packaging. Delivery is completed within 5-8 days, and payment can be made via T/T, Western Union, or MoneyGram. Yahua Lighting can provide up to 1000Pcs/month, and the power rating of this solar street light is 200W-300W, with a weight of 5.5kg. It also comes with 3-year warranty, and the lighting mode can be controlled through time control or remote control. Additionally, it is also available with a light post.

## Customization:

Solar Panel Street Light Customization Service -- Yahua Lighting Model YHZ-SSL

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 1

Price: USD19-55

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Waterproof Level: IP65

Light post: Available

Lighting Mode: Time Control/Remote Control

Power: 200W 300W

Material: Aluminum Alloy

The Yahua Lighting Model YHZ-SSL solar panel street light is perfect for lighting up your backyard, driveway, garage, patio, and more. Our solar powered path lights, solar powered streetlighting, and solar powered street lamp can provide a reliable and energy-efficient nighttime lighting solution. The waterproof level of IP65 and the anti-collision and shatterproof packaging make this product the ideal lighting solution for outdoor use. Get your Yahua Lighting Model YHZ-SSL solar panel street light today and enjoy the energy-saving benefits!

## Packing and Shipping:

Solar Panel Street Light Packaging and Shipping

The Solar Panel Street Light product is packaged in a box and wrapped in bubble wrap to ensure that it is protected during transit. The box should be marked with the product name, weight, shipping address, and shipping date.

The box should then be sealed and placed on a pallet for shipping. The pallet should be clearly labeled with the product name, weight, shipping address, and shipping date. The pallet should be secured with straps or shrink wrap and loaded onto the shipping vehicle.

The product should be transported to its destination using a reliable shipping company. The shipping company should provide tracking information so that the customer can monitor the shipment's progress.
