

150W Integrated Solar Lighting System 25.6V Voltage -20 ~+60 Working Temperature

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Voltage: 25.6V
- Lighting Time: More Than 12 Hours
- Working Temperature: -20 ~+60
- Installation Height: 9-12m
- Color Temperature: 6000K
- Sensing Distance: 20-25m
- Battery Capacity: 25.6V 32Ah/48Ah
- Lighting Angle: 140°
- Highlight: Shatterproof LED Solar Integrated Lamp, 150W Integrated Solar Lighting System, Integrated Solar Lighting System 25.6V

Product Description

Product Description:

Integrated Solar Street Light is an all-in-one solar lighting system that is designed to provide solar powered illumination for street lighting. It is waterproof with an IP65 rating, and is made of high-quality aluminum alloy and monocrystalline silicon solar panel. The light source is LED, which is energy-efficient and long-lasting. It comes with a 3-year warranty and is the perfect lighting solution for outdoor street lighting. It is the ideal choice for any environment that needs reliable and affordable integrated solar lighting system.

Features:

Product Name: Integrated Solar Street Light

Waterproof Level: IP65

Voltage: 25.6V

Installation Height: 9-12m

Light Source: LED

Luminous Flux: 150-160LM/W

Solar Powered Street Lamp

Integrated Solar Outdoor Light

Integrated Solar Lighting System

Technical Parameters:

Features	Specification
Light Source	LED
Lighting Time	More Than 12 Hours
Working Temperature	-20 ~+60
Warranty	3 Years
Luminous Flux	150-160LM/W
Waterproof Level	IP65
Solar Panel	Monocrystalline Silicon
Material	Aluminum Alloy
Power	150W
Voltage	25.6V

Applications:

Yahua Lighting's Integrated Solar Street Light, model YHZ-SSL, is a perfect combination of energy efficiency and convenience. This solar powered street lamp is certified with CE IP65 ROHS ISO, and is made with aluminum alloy for durability and reliability. It has a 25.6V voltage and LED light source for more than 12 hours of lighting. The lighting angle is 140°, allowing it to provide ample illumination for outdoor areas. You can order a minimum quantity of 1 unit and the price range is USD105-249. It has a delivery time of 5-8 days and payment terms of T/T, Western Union, or MoneyGram. The package is anti-collision and shatterproof to ensure safe delivery. Yahua Lighting provides a monthly supply of 500 pcs.

Integrated Solar Lighting System

Our integrated solar street light is designed to provide an efficient and cost-effective solution for lighting up roads and outdoor spaces. With high-end LED components, advanced optical design, reliable solar panel, and long-lasting lithium battery, it is engineered for maximum performance, safety, and reliability.

Integrated Solar Street Lighting

This integrated solar street light is equipped with multiple lighting modes that can be adjusted and configured according to the changing needs of users. It is also designed to provide superior lighting performance and energy savings with up to 160LM/W, making it the perfect choice for your outdoor lighting needs.

Integrated Solar Street Light

Our integrated solar street light is a reliable and cost-effective solution for lighting up roads and outdoor spaces. It is designed to provide superior lighting performance and energy savings with up to 160LM/W, making it the perfect choice for your outdoor lighting needs.

Support and Services:

Integrated Solar Street Light provides comprehensive technical support and service to our customers. Our professional technical team is available to answer any questions you may have. We offer installation and maintenance services for all our Integrated Solar Street Light products. We also have an in-house repair team which can repair any component within reasonable time.

In addition, we also provide training to our customers on various aspects of our Integrated Solar Street Light, such as installation, maintenance and troubleshooting. We also have a dedicated customer service team which is available to answer any questions you may have regarding our products.

We also have a comprehensive warranty program, which covers all our Integrated Solar Street Light products, including any defects or damage caused by normal use. We are committed to providing our customers with the best technical support and service.

Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping:

Packaging: The integrated solar street light will be packaged in an environmentally friendly cardboard box.

Shipping: The integrated solar street light will be shipped via air freight in order to reach customers as soon as possible.

FAQ:

Q: What is the brand name of your Integrated Solar Street Light?

A: Our Integrated Solar Street Light is Yahua Lighting.

Q: What is the model number of your Integrated Solar Street Light?

A: The model number of our Integrated Solar Street Light is YHZ-SSL.

Q: Where is your Integrated Solar Street Light manufactured?

A: Our Integrated Solar Street Light is manufactured in China.

Q: What certifications do your Integrated Solar Street Light have?

A: Our Integrated Solar Street Light has CE IP65 ROHS ISO certifications.

Q: What is the minimum order quantity for your Integrated Solar Street Light?

A: The minimum order quantity for our Integrated Solar Street Light is 1.

Q: What is the price of your Integrated Solar Street Light?

A: The price of our Integrated Solar Street Light is USD105-249.

Q: What is the packaging of your Integrated Solar Street Light?

A: Our Integrated Solar Street Light is packaged in anti-collision and shatterproof packaging.

Q: How long does it take to deliver your Integrated Solar Street Light?

A: It takes 5-8 days to deliver our Integrated Solar Street Light.

Q: What payment methods do you accept for your Integrated Solar Street Light?

A: We accept T/T, Western Union, and MoneyGram for our Integrated Solar Street Light.

Q: How many Integrated Solar Street Lights can you supply per month?

A: We can supply 500pcs/month of our Integrated Solar Street Lights.
