#### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

#### Product Specification

- Sensing Distance: 20-25m
- Voltage: 25.6V
- Installation Height: 9-12m
- Waterproof Level: IP65
- Color Temperature: 6000K
- Warranty: 3 Years
- Luminous Flux: 150-160LM/W
- Material: Aluminum Alloy
- Highlight: **IP65 Integrated Solar Light,  
Solar Street Light 150LM/W,  
Shatterproof Integrated Street Light**

## Product Description

### Product Description:

The Integrated Solar Street Light is an all-in-one solar lighting solution that provides reliable and efficient lighting performance. This light is designed with an aluminum alloy material and a stylish design with an integrated LED light source. It is equipped with a 25.6V voltage and a 32Ah/48Ah battery capacity that ensures it can last for more than 12 hours. With its all-in-one design, the Integrated Solar Street Light provides a perfect lighting solution for roads, driveways and other outdoor areas. It is also environmentally friendly, easy to install and requires no additional wiring or extra maintenance.

### Features:

Product Name: **Integrated Solar Street Light**

Material: **Aluminum Alloy**

Color Temperature: **6000K**

Warranty: **3 Years**

Installation Height: **9-12m**

Lighting Angle: **140°**

Solar Powered Street Lamp. **Integrated Solar Outdoor Light**

### Technical Parameters:

| Parameter           | Value                   |
|---------------------|-------------------------|
| Installation Height | 9-12m                   |
| Color Temperature   | 6000K                   |
| Battery Capacity    | 25.6V 32Ah/48Ah         |
| Luminous Flux       | 150-160LM/W             |
| Waterproof Level    | IP65                    |
| Light Source        | LED                     |
| Warranty            | 3 Years                 |
| Lighting Time       | More Than 12 Hours      |
| Material            | Aluminum Alloy          |
| Solar Panel         | Monocrystalline Silicon |

### Applications:

Yahua Lighting's Integrated Solar Street Light (Model: YHZ-SSL) is a reliable solution for outdoor lighting. It is CE IP65 ROHS ISO certified and made in China. The minimum order quantity is 1 and the price ranges from USD105 to 249. The package of this product is anti-collision and shatterproof to ensure the safety of transport. Delivery time is 5-8 days and payment terms include T/T, Western Union, MoneyGram. The supply ability of this product is 500Pcs/month. The installation height is 9-12m and it is made of Aluminum Alloy with waterproof level of IP65. The solar panel is Monocrystalline Silicon and the power is 150W.

### Customization:

Customized Integrated Solar Street Light Service

Yahua Lighting provides custom-made Integrated Solar Street Light service, with model number YHZ-SSL made in China. The Integrated Solar Street Light is certificated by CE, IP65, ROHS and ISO. The minimum order quantity is 1 with the price range of USD105-249. The package is anti-collision and shatterproof to ensure the safety during delivery. The delivery time is 5-8 days. Payment method includes T/T, Western Union, and MoneyGram. The supply ability is 500Pcs/month. Voltage of the Integrated Solar Street Light is 25.6V and it comes with 3 years warranty. The sensing distance is 20-25m and the lighting time is more than 12 hours. The battery capacity is 25.6V 32Ah/48Ah.

### Support and Services:

Integrated Solar Street Light provides technical support and service to ensure that customers can use our products with confidence. We provide comprehensive technical support and service for our Integrated Solar Street Light product, including:

Installation and commissioning of the product

Onsite technical consultation

Provide technical training

Regular after-sales maintenance and service

Spare parts supply and repair

Product upgrade and optimization

We are committed to providing customers with the best service and support. If customers have any questions or problems, please do not hesitate to contact us.

### Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping:

Each Integrated Solar Street Light is packaged in a cardboard box. The box is lined with foam padding for protection. The box is then sealed with adhesive tape. The box is labeled with the product name and other relevant information. The box is then shipped to the customer via a secure and reliable courier service.

### FAQ:

#### Integrated Solar Street Light FAQ
