

## IP65 Aluminum Alloy Integrated Solar Street Light -20°C~+60°C Working Temperature

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

### Product Specification

- Waterproof Level: IP65
- Sensing Distance: 20-25m
- Power: 150W
- Warranty: 3 Years
- Battery Capacity: 25.6V 32Ah/48Ah
- Working Temperature: -20°C~+60°C
- Installation Height: 9-12m
- Material: Aluminum Alloy
- Highlight: **6000K All In One Solar Light, 150W Integrated Solar Street Light, Waterproof Aluminum Alloy Solar Street Light**

## Product Description

### Product Description:

The Integrated Solar Streetlamp is an all-in-one solar lamp system that provides reliable and efficient lighting for outdoor areas. It is a cost-effective solution for street lighting, parking lots, and pathway illumination. This integrated solar streetlamp is equipped with a sensing distance of 20-25m, a power of 150W, a waterproof level of IP65, a voltage of 25.6V, and a durable aluminum alloy material. The product is designed to offer a long-lasting performance and easy maintenance. The integrated solar streetlamp is not only reliable and efficient, but also an eco-friendly lighting solution that significantly reduces energy consumption.

### Features:

**Product Name:** Integrated Solar Street Light

**Lighting Time:** More Than 12 Hours

**Light Source:** LED

**Power:** 150W

**Warranty:** 3 Years

**Luminous Flux:** 150-160LM/W

**Keywords:** Integrated Solar Outdoor Light, Solar Powered Street Lamp, All-in-one Solar Lamp

### Technical Parameters:

Integrated Solar Lighting	Solar Powered Outdoor Light
Power: 150W	Lighting Angle: 140°
Battery Capacity: 25.6V 32Ah/48Ah	Solar Panel: Monocrystalline Silicon
Working Temperature: -20°C~+60°C	Luminous Flux: 150-160LM/W
Voltage: 25.6V	Waterproof Level: IP65
Light Source: LED	Color Temperature: 6000K

### Applications:

Yahua Lighting's Integrated Solar Street Light is a great, energy-efficient and long-lasting lighting system for outdoor lighting. It is a reliable, low-maintenance and cost-effective alternative to traditional street lighting. It has a certification of CE IP65 ROHS ISO, with a minimum order quantity of 1, varying in price from USD105-249. This light is delivered with anti-collision and shatterproof packaging, and can be delivered within 5-8 days after payment. It has a supply ability of 500Pcs/month, and a lighting time of more than 12 hours. It also comes with a 3 year warranty, with a luminous flux of 150-160LM/W and an installation height of 9-12m with a 140° lighting angle. Yahua Lighting's Integrated Solar Street Light is a perfect choice for any outdoor lighting needs, such as parks, campuses, streets, gardens, etc. It is a great way to reduce energy costs and reduce emissions of hazardous materials that come from traditional street lighting. It is an efficient, cost-effective and environmentally friendly lighting system that is perfect for any outdoor lighting application. With its low-maintenance, long life, and energy-efficient features, this Integrated Solar Street Light is an excellent choice for any outdoor lighting needs.

### Customization:

Integrated Solar Street Light

**Brand Name:** Yahua Lighting

**Model Number:** YHZ-SSL

**Place of Origin:** China

**Certification:** CE IP65 ROHS ISO

**Minimum Order Quantity:** 1

**Packaging Details:** Anti-collision and shatterproof packaging

**Delivery Time:** 5-8 days

**Payment Terms:** T/T, Western Union, MoneyGram

**Supply Ability:** 500Pcs/month

**Lighting Angle:** 140°

**Light Source:** LED

**Installation Height:** 9-12m

**Lighting Time:** More Than 12 Hours

**Solar Panel:** Monocrystalline Silicon

Our Integrated Solar Street Light is a perfect solution for your outdoor lighting needs, powered by solar energy. This solar powered street lamp is designed with high-efficiency monocrystalline silicon solar panels, and a 140° lighting angle, making it ideal for illuminating areas such as gardens, roads, walkways, and more. With an installation height of 9-12m, it provides more than 12 hours of lighting time with a single charge. This integrated solar outdoor light is CE IP65 ROHS ISO certified, and comes with an anti-collision and shatterproof packaging.

### Support and Services:

Integrated Solar Street Light provides comprehensive technical support and service to ensure that customers can use our product safely and efficiently. We provide 24-hour emergency response service for all customer inquiries, provide detailed product documentation and instruction manuals, provide professional technical support staff to answer any technical questions, provide software updates and upgrades, and provide free technical training and seminars.

### Packing and Shipping:

Integrated Solar Street Light packaging and shipping:

Securely package the light in a box with foam padding.

Include all necessary hardware for installation, such as mounting brackets, screws and wiring.

Ensure that the box is properly sealed for shipping.

Label the box with the recipient's address and a note stating that it contains a sensitive electronic device.

Ship the package via a reliable courier service.

### FAQ:

**Q1: What is Yahua Lighting Integrated Solar Street Light?**

A1: Yahua Lighting Integrated Solar Street Light (Model Number: YHZ-SSL) is a high-efficiency lighting product developed and manufactured in China, certified with CE IP65 ROHS ISO. It is a solar street light powered by solar energy, which is energy-saving, environmental friendly and has a long life span.

**Q2: What is the minimum order quantity?**

A2: The minimum order quantity for Yahua Lighting Integrated Solar Street Light is 1.

**Q3: What is the price of Yahua Lighting Integrated Solar Street Light?**

A3: The price of Yahua Lighting Integrated Solar Street Light is between USD105 and USD249.

**Q4: What is the packaging for Yahua Lighting Integrated Solar Street Light?**

A4: Yahua Lighting Integrated Solar Street Light is packed with anti-collision and shatterproof packaging.

**Q5: What is the delivery time and payment terms?**

A5: The delivery time for Yahua Lighting Integrated Solar Street Light is 5-8 days, and the payment terms are T/T, Western Union, MoneyGram. The monthly supply ability is 500Pcs.
