## 10 Years Warranty DC Portable Solar Power Generator 1kw Home Solar Power System With 6 Led Bulbs

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: MSDS
- Model Number: YHZ-SPS
- Minimum Order Quantity: 1
- Price: USD25-65
- Packaging Details: 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs)
- Delivery Time: 25 days for one 20' container
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

### Product Specification

- Working Temperature: -20°C~60°C
- Size: Customized
- Inverter: Pure Sine Wave
- Type: Solar Power System
- Voltage: 12V/24V
- Display: LCD Display
- Waterproof Level: IP65
- Application: Home/ Commercial/ Industrial
- Solar Panel: 50W With 8m Cable
- Battery: 12V 20Ah Lead-acid Battery
- USB Charging Port: 5V/1A\*2
- Insurance Current: 15A
- LED Bulb: 3w/12v \*3 5W/12V\*3 With 4 Meter Cable

## Product Description

### Product Description:

We provide solar power system with 10 years warranty, including solar photovoltaic electricity system, solar power generation system and off grid solar system. It is featured with LCD display, MPPT controller and lithium battery. It is waterproof with IP65 level.

### Features:

Product Name: Solar Power System

Power: 1000W

Controller: MPPT

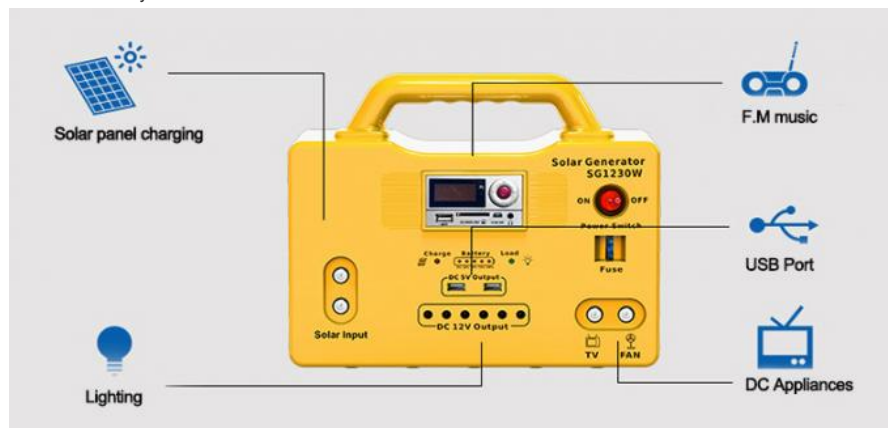

Voltage: 12V/24V

Inverter: Pure Sine Wave

Waterproof Level: IP65

Solar Photovoltaic Power System

Off Grid solar system

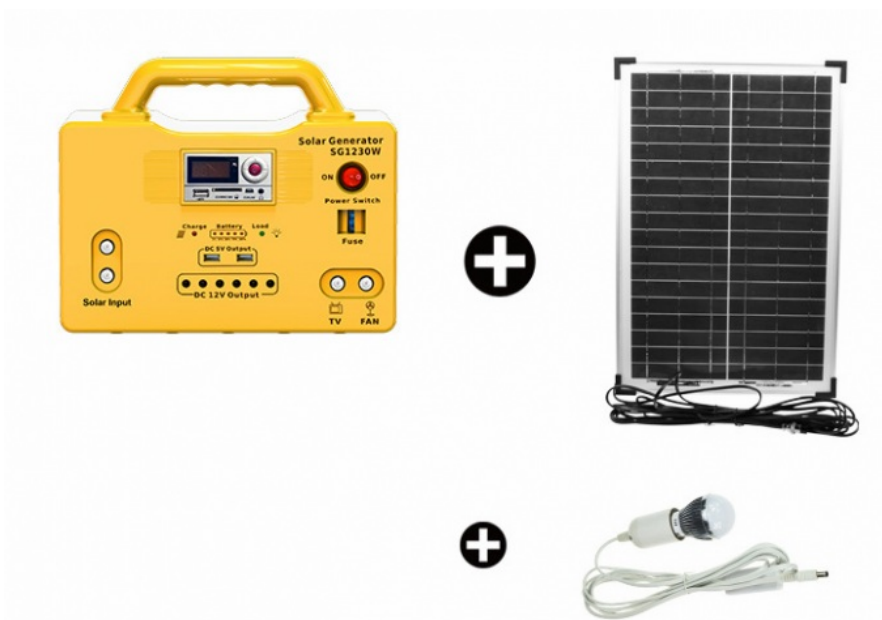

**Technical Parameters:**

Product Property	Details
Application	Home/ Commercial/ Industrial
Power	1000W
Type	Solar Photovoltaic Power System
Battery	Lithium Battery
Voltage	12V/24V
Waterproof Level	IP65
Warranty	10 Years
Size	Customized
Inverter	Pure Sine Wave
Working Temperature	-20°C~60°C

## Applications:

Yahua Lighting YHZ-SPS Solar Power System provides a reliable and cost-efficient solar electrical system for power generation. It is designed to be waterproof with an IP65 rating, with an operating temperature range of -20°C~60°C. It also includes an advanced MPPT controller and a pure sine wave inverter to ensure maximum efficiency. With a minimum order quantity of 1, the system is available for USD25-65 and can be shipped in 25 days for one 20' container. The packaging details include 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs). Payment can be made via T/T, Western Union, MoneyGram and the company provides a 10 year warranty for the product. With a supply capacity of 1000Pcs/month, Yahua Lighting YHZ-SPS Solar Power System is MSDS certified and offers an ideal solution for solar power generation.

## Customization:

Solar Power System

Product Highlights:

Brand Name: Yahua Lighting

Model Number: YHZ-SPS

Place of Origin: Guangdong, China

Certification: MSDS

Minimum Order Quantity: 1

Price: USD25-65

Packaging Details: 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs)

Delivery Time: 25 days for one 20' container

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Power: 1000W

Waterproof Level: IP65

Battery: Lithium Battery

Working Temperature: -20°C~60°C

Size: Customized

Product Description:

Yahua Lighting's Solar Power System is an efficient and reliable solar photovoltaic power generation system, perfect for your solar electricity requirements. This system can generate up to 1,000 watts, and is designed with a waterproof IP65 rating and a lithium battery for long-term use. With a working temperature range of -20°C to 60°C, our Solar Power System is suitable for harsh weather conditions. It is also customizable in size to suit your specific needs.

## Support and Services:

### Solar Power System Technical Support and Service

We are dedicated to providing our customers with the highest quality service and support. All our products are backed with a comprehensive warranty and lifetime technical support.

#### Technical Support

We offer a wide range of technical support services to ensure that our customers get the most out of their solar power system. Our technical experts are available to answer questions, troubleshoot problems, and provide advice on the best way to maximize efficiency and performance.

#### Warranty Service

We provide a comprehensive warranty for all our solar power systems. This warranty covers the cost of parts and labour for repairs due to manufacturing defects. In addition, we offer an extended warranty for additional peace of mind.

#### Maintenance and Repair Services

We provide regular maintenance and repair services for all our solar power systems. Our technicians are highly trained and experienced in all aspects of solar power system maintenance and repair. We also provide emergency repair services for urgent situations.

## Packing and Shipping:

### Packaging and Shipping for Solar Power System

The solar power system will be packaged in accordance with the customer's requirements for safe and secure delivery. The system components will be individually boxed and placed in a larger box or crate for shipping. The shipment will be insured and tracked for delivery.

Shipping carriers such as UPS, FedEx, and DHL will be used for delivery of the solar power system worldwide. Delivery times may vary depending on destination country. Customer can also request to use their own shipping carrier.

### FAQ:

Q: What is the brand name of the Solar Power System?

A: The brand name of the Solar Power System is Yahua Lighting.

Q: What is the model number of the Solar Power System?

A: The model number of the Solar Power System is YHZ-SPS.

Q: Where is the place of origin of the Solar Power System?

A: The place of origin of the Solar Power System is Guangdong, China.

Q: Does the Solar Power System have a certification?

A: Yes, the Solar Power System has a certification, MSDS.

Q: How much is the minimum order quantity of the Solar Power System?

A: The minimum order quantity of the Solar Power System is 1.
