12V / 24V Low Cost Home 1kw DC Solar PV Power Battery System With LED Bulbs

Our Product Introduction

For more products please visit us on solarledstreet-light.com

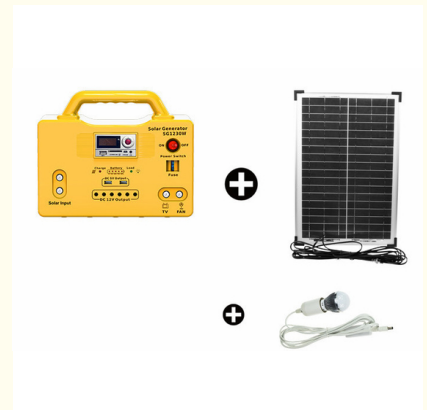

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: MSDS
- Model Number: YHZ-SPS
- Minimum Order Quantity: 1
- Price: USD25-65
- Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)
- Delivery Time: 25 days for one 20' container
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

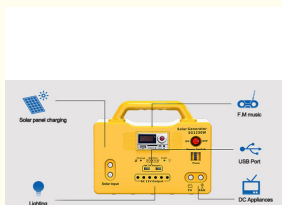

Product Specification

- Application: Home/ Commercial/ Industrial
- Battery: 12V 20Ah Lead-acid Battery
- Inverter: Pure Sine Wave
- Working Temperature: -20 ~60
- Waterproof Level: IP65
- Display: LCD Display
- Controller: MPPT
- Voltage: 12V/24V
- LED Bulb: 3w/12v *3, 5W/12V*3 With 4 Meter Cable (with Switch)
- Highlight: IP65 PV Power Battery System,
1kw DC Solar PV System,
MPPT LED Bulbs Solar Power System

Product Description

Product Description:

Solar power system is a perfect off-grid solar system that can be applied in various scenarios, such as home, commercial and industrial. It has an excellent waterproof level of IP65 and a pure sine wave inverter that ensures a reliable performance. Furthermore, the LCD display offers a clear view of the system information and it is backed by a 10-year warranty. It is time to switch to solar power system and enjoy the convenience and efficiency that it brings.

Features:

Product Name: **Solar Power System**

Size: **Customized**

Waterproof Level: **IP65**

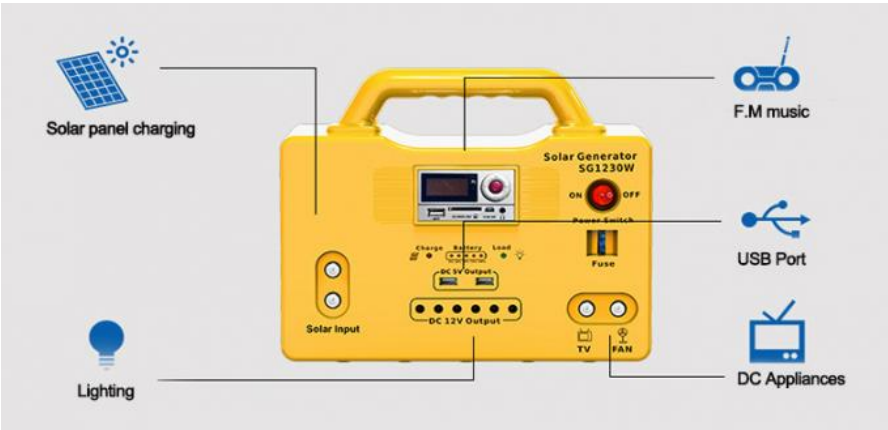

Display: **LCD Display**

Working Temperature: **-20 ~60**

Controller: **MPPT**

Product Type: **Photovoltaic Electricity System**

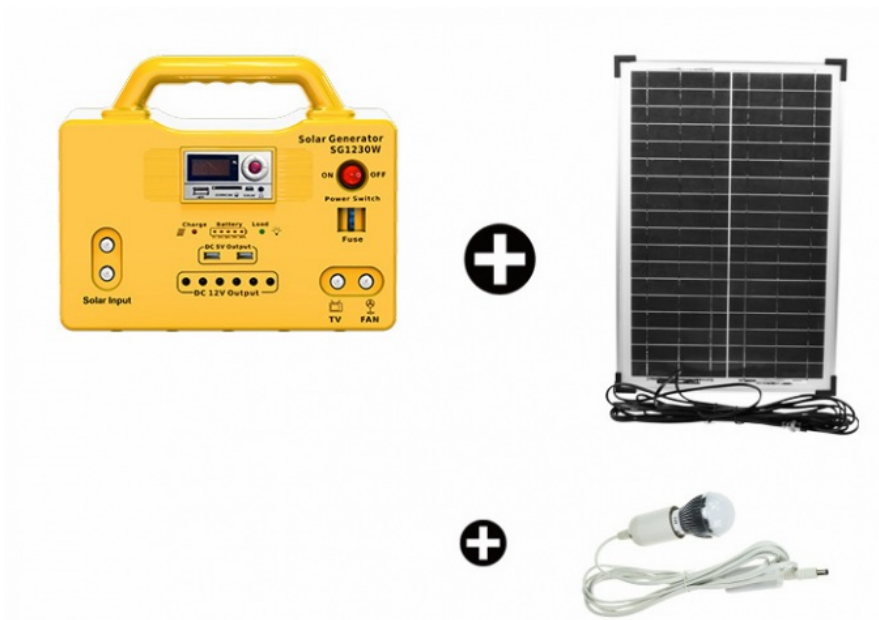

Power System: **Solar Photovoltaic Power System**

Technical Parameters:

Attributes	Description
Size	Customized
Voltage	12V/24V
Display	LCD Display
Power	1000W
Waterproof Level	IP65
Controller	MPPT
Type	Solar Power System
Inverter	Pure Sine Wave
Battery	Lithium Battery
Warranty	10 Years

Applications:

Yahua Lighting's YHZ-SPS Solar Power System is designed to provide reliable solar electricity for home, commercial and industrial use. It is a hybrid solar energy system certified by MSDS, with waterproof level IP65. The system is produced in Guangdong, China, with minimum order quantity 1 and competitive price USD25-65. The packing size is 540*350*310mm, 16.8KG for 2pcs machines, and solar panel 675*330*375mm, 28KG/5pcs. The delivery time is 25 days for one 20' container, with payment terms T/T, Western Union and MoneyGram. The supply ability is 1000Pcs/month, with 10 Years warranty. The solar power system is a pure sine wave inverter, providing reliable and efficient energy solution.

Customization:

Solar Photovoltaic Power System

Brand Name: Yahua Lighting

Model Number: YHZ-SPS

Place of Origin: Guangdong, China

Certification: MSDS

Minimum Order Quantity: 1

Price: USD25-65

Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)

Delivery Time: 25 days for one 20' container

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Voltage: 12V/24V

Power: 1000W

Application: Home/ Commercial/ Industrial

Warranty: 10 Years

Working Temperature: -20 ~60

Yahua Lighting Solar Photovoltaic Power System is a reliable and cost-effective solar energy system that can be used for home, commercial or industrial applications. It is highly efficient and durable, with a voltage of 12V/24V, 1000W power and 10 year warranty. It is certified MSDS and can operate in temperatures between -20 and 60 . The minimum order quantity is 1 unit and the price range is USD25-65. The packaging details are 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs). Delivery time is 25 days for one 20' container and payment terms are T/T, Western Union, MoneyGram. The supply ability is 1000Pcs/month.

Support and Services:

Solar Power System Technical Support and Service

Our Solar Power System offers easy-to-use, reliable and affordable solar power solutions for homes, businesses, and other energy users. Our team of professionally trained technicians provides comprehensive technical support and service to ensure a smooth installation and operation of your system.

System installation and configuration

Troubleshooting and repair

Regular maintenance and upgrades

Advice and guidance on system optimization

For more information about our technical support and service, please contact our team of experts.

Packing and Shipping:

Packaging and Shipping

Solar Power System will be shipped in the original manufacturer's packaging. The packaging includes protective foam inserts, which help protect the product during shipping. The product should be inspected upon delivery for any signs of damage or missing components. If the product is damaged upon delivery, the customer should contact the shipping company to file a claim. The customer should also contact the manufacturer for a replacement if necessary.

FAQ:

Solar Power System FAQ

Q: What is the Brand Name of the Solar Power System?

A: Yahua Lighting.

Q: What is the Model Number of the Solar Power System?

A: YHZ-SPS.

Q: Where is the Solar Power System made?

A: It is made in Guangdong, China.

Q: Is the Solar Power System certified?

A: Yes, the Solar Power System is certified with MSDS.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1 piece.

Q: How much does the Solar Power System cost?

A: The price of the Solar Power System is USD25-65.

Q: What is the packaging for the Solar Power System?

A: The Solar Power System is packaged in 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs).

Q: How long does it take to deliver the Solar Power System?

A: It will take 25 days for one 20' container.

Q: What payment methods are accepted for the Solar Power System?

A: We accept T/T, Western Union, MoneyGram.

Q: How many Solar Power Systems can you supply per month?

A: We can supply up to 1000Pcs/month.
