Pure Sine Wave 3000W Solar Energy System Residential Solar Panel Photovoltaic System

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: MSDS
- Model Number: YHZ-SPS
- Minimum Order Quantity: 1
- Price: USD25-65
- Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)
- Delivery Time: 25 days for one 20' container
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

Product Specification

- Voltage: 12V/24V
- Type: Solar Power System
- Power: 1000W
- Warranty: 10 Years
- Inverter: Pure Sine Wave
- Size: Customized
- Battery: Lithium Battery
- Working Temperature: -20°C~60°C
- Highlight: Pure Sine Wave Solar Energy System, Solar Panel Photovoltaic System 3000W

Shaanxi Yahua Lighting Electric Equipment Co., Ltd. established in 2001, which is a professional company specializing in the development, manufacture, sales and installation of outdoor LED lighting products. Our main products include LED Solar light, portable solar system, hybrid solar inverter system, etc. products are passed CE, ROHS, ISO9001, CCC certificate and are mainly exported to USA, Europe, Africa, UAE, South America etc. Countries. Yahua lighting has set up a professional team of senior engineers and designers and is ready to provide for our customers with high standard LED lights solution and good service. We welcome the inquiries from worldwide customers and suppliers.

Our Product Introduction

Product Description

Product Description:

Our Solar Power System is a comprehensive photovoltaic system for generating electricity from solar energy. It is designed to be robust and reliable to ensure a long and efficient service life of up to 10 years. The system is equipped with a 12V/24V voltage regulator, a maximum power point tracking (MPPT) controller, and a pure sine wave inverter. The PV panels are capable of converting sunlight into electricity with high efficiency and low power loss. Our Solar Power System is ideal for residential, commercial, and industrial applications. It is an efficient and cost-effective way to harness the power of the sun and generate renewable energy for your home or business. With our professional installation, you will be able to enjoy clean, renewable energy for years to come.

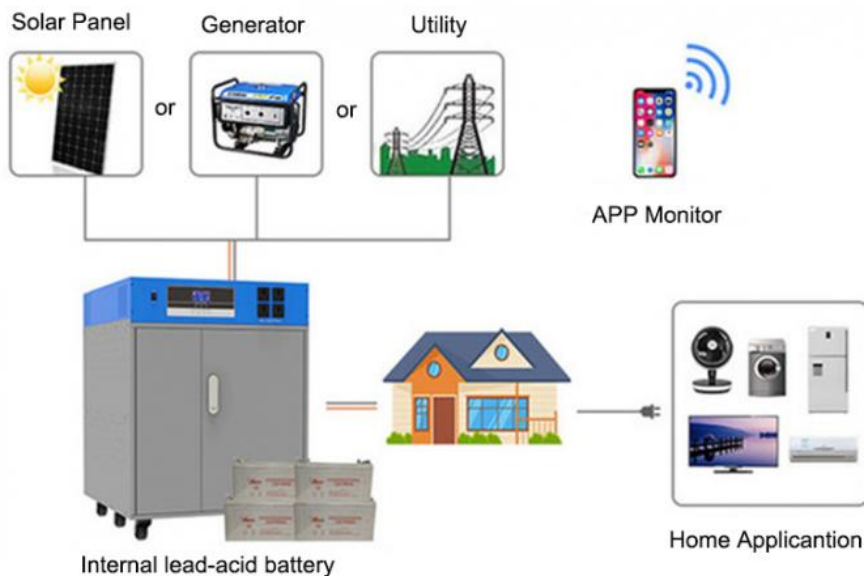

Our Solar Power System is the perfect choice for anyone looking to reduce their energy costs and make the switch to sustainable energy. Our system is designed to be user-friendly and easy to maintain. We offer a wide range of solar panels, controllers, and inverters, allowing you to customize your system based on your individual needs. Our highly experienced team of experts will be able to provide you with all the assistance you need for a successful installation. We also offer a full 10-year warranty on our products, giving you peace of mind that your system will be working efficiently for many years to come.

Make the switch to renewable energy today with our Solar Power System. With our comprehensive photovoltaic system, you can harness the power of the sun and reduce your energy costs. Get in touch with us today to learn more about our Solar Power Generation System, Solar Electricity System, Solar Power Generation System, Solar System, Photovoltaic System, Solar Panel, and PV System. We look forward to helping you make the switch to clean, renewable energy.

Features:

Product Name: Solar Power System
Inverter: Pure Sine Wave
Application: Home/ Commercial/ Industrial
Waterproof Level: IP65
Voltage: 12V/24V
Type: Solar Power System, Off Grid Solar System, Solar Photovoltaic Electricity System

Technical Parameters:

Parameter	Value
Product	Solar Power System
Display	LCD Display
Controller	MPPT
Type	Solar Power Generation System, Hybrid Solar System
Warranty	10 Years
Battery	Lithium Battery
Application	Home/ Commercial/ Industrial
Power	1000W
Inverter	Pure Sine Wave
Size	Customized
Waterproof Level	IP65

Applications:

Yahua Lighting's YHZ-SPS Solar Photovoltaic Power System is the perfect off grid solar system for both home and commercial/industrial applications. With a 1000W power output, this system is capable of running on 12V/24V and features a pure sine wave inverter for maximum efficiency. The LCD display provides a user-friendly interface to monitor and control the system. Yahua Lighting's YHZ-SPS Solar Energy System is also certified with MSDS and comes with a minimum order quantity of 1. The price range for this product is USD25-65, with a delivery time of 25 days for one 20' container. Payment terms include T/T, Western Union, and MoneyGram, and the system has a supply capacity of 1000Pcs/month. Packaging details include 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs).

Shaanxi Yahua Lighting Electric Equipment Co.,Ltd. established in 2001, which is a professional company specializing in the development, manufacture, sales and installation of outdoor LED lighting products. Our main products include LED Solar lights, portable solar system, hybrid solar inverter system. Our products have passed CE, ROHS, ISO9001, CQC certificate and are mainly exported to USA, Europe, Africa, UAE, South America etc. Countries.

Yahua lighting has set up a professional team of senior engineers and designers and is ready to provide for our customers with high standard LED lights solution and good service.

We welcome the inquiries from worldwide customers, and will always offer the best products at the most competitive prices. Meanwhile, we can work together with all of our customers, and find the best solutions for your Solar energy system projects.

Customization:

Yahua Lighting YHZ-SPS Solar Power System

Brand Name: Yahua Lighting

Model Number: YHZ-SPS

Place of Origin: Guangdong, China

Certification: MSDS

Minimum Order Quantity: 1

Price: USD25-65

Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)

Delivery Time: 25 days for one 20' container

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Power: 1000W

Battery: Lithium Battery

Type: Solar Power System

Application: Home/ Commercial/ Industrial

Voltage: 12V/24V

Yahua Lighting YHZ-SPS is an off grid solar system specifically designed for solar power generation. It is ideal for home, commercial and industrial usage with its 1000W power and 12V/24V voltage. It also uses lithium battery for long-lasting power. The system is certified by MSDS, and comes in a packaging size of 540*350*310mm with a weight of 16.8KG. Minimum order quantity is 1, and the price range is USD25-65. Delivery time is 25 days for one 20' container. Payment terms are T/T, Western Union, and MoneyGram. The system has a supply ability of 1000Pcs/month.

Support and Services:

Solar Power System Technical Support and Service

We provide technical support and service for our Solar Power System products. Our support team is available to answer any questions you may have about installation, maintenance, and troubleshooting.

We also offer a variety of services to help you get the most out of your Solar Power System. Our services include:

Installation: We provide professional installation services to ensure that your Solar Power System is installed correctly and safely.

Maintenance: We provide regular maintenance and service to ensure that your Solar Power System is functioning optimally.

Troubleshooting: We provide troubleshooting support to help you identify and resolve any issues with your Solar Power System.

Upgrades: We offer upgrades and enhancements to your Solar Power System to ensure that it is up-to-date and working efficiently.

If you have any questions or would like to learn more about our Solar Power System technical support and service, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping

The Solar Power System will be packaged in a cardboard box.

The box will be sealed and labeled for shipping.

The Solar Power System will be shipped by a reputable courier.

All items will be tracked using a tracking number.

The customer will be notified once the Solar Power System has been shipped and the tracking number will be provided.

FAQ:

Q: What is the brand name of your solar power system?

A: The brand name of our solar power system is Yahua Lighting.

Q: What is the model number of your solar power system?

A: The model number of our solar power system is YHZ-SPS.

Q: Where is your solar power system made?

A: Our solar power system is made in Guangdong, China.

Q: What certifications does your solar power system have?

A: Our solar power system has MSDS certification.

Q: What is the minimum order quantity for your solar power system?

A: The minimum order quantity for our solar power system is 1.
