

## DC12V 1250W Home Solar Battery PV Panel Power System With FM Radio

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: MSDS
- Model Number: YHZ-SPS
- Minimum Order Quantity: 1
- Price: USD25-65
- Packaging Details: 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs)
- Delivery Time: 25 days for one 20' container
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

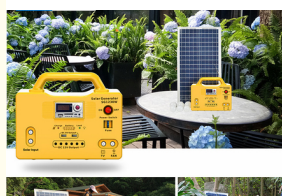

### Product Specification

- Display: LCD Display
- Voltage: 12V/24V
- Warranty: 10 Years
- Battery: 12V 20Ah Lead-acid Battery
- Application: Home/ Commercial/ Industrial
- Size: Customized
- Type: Solar Power System
- Feature: With FM Radio And MP3 Playback Function
- LED Bulb: 3w/12v \*3, 5W/12V\*3 With 4 Meter Cable (with Switch)
- Highlight: 1250W PV Panel Power System,  
DC12V Solar Power System,  
Customized FM Radio Solar PV System

## Product Description

### Product Description:

Our Solar Power System is an advanced solar energy system designed for residential and commercial use. It consists of a Photovoltaic Electricity System, a Solar Electrical System and a LCD display. It is waterproof up to an impressive IP65 level and is capable of producing up to 1000W of power. Our Solar Power System is guaranteed to provide lasting performance and is backed by a 10 year warranty, making it an excellent choice for those looking to invest in a reliable solar energy system.

### Features:

- Solar Photovoltaic Power System
- Solar Power Generation System
- Solar Electricity System
- LCD Display
- Pure Sine Wave Inverter
- 1000W Power
- Lithium Battery
- 10 Years Warranty
- Solar panel: 50W with 8m cable
- Battery: 12V 20Ah lead-acid battery
- USB charging port: 5V/1A\*2
- Insurance current: 15A
- LED bulb: 3w/12v \*3, 5W/12V\*3 with 4 meter cable (with switch)
- With FM radio and MP3 playback function
- 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs)

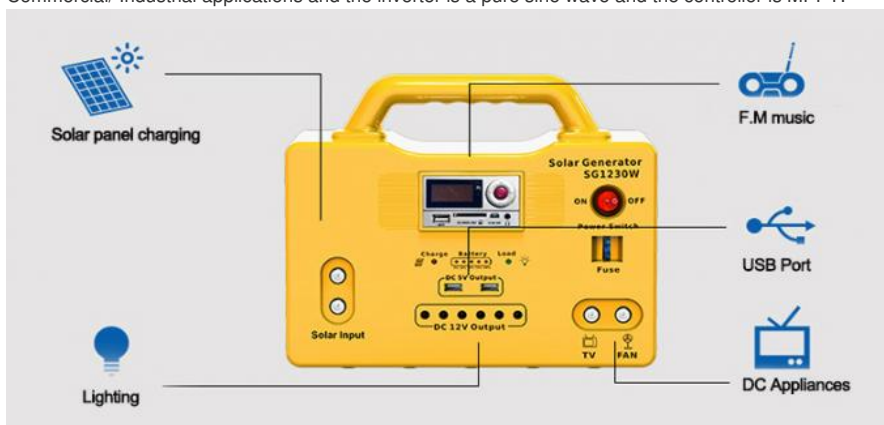

### Technical Parameters:

Parameter	DC12V 1250W home solar battery pv panel power system with FM radio
Off grid solar system	Yes
Solar Photovoltaic Power System	Yes
Solar Photovoltaic Electricity System	Yes
Controller	MPPT
Size	Customized
Type	Solar Power System
Warranty	10 Years
Application	Home/ Commercial/ Industrial
Waterproof Level	IP65
Power	1000W
Display	LCD Display
Battery	Lithium Battery
Voltage	12V/24V

## Applications:

Yahua Lighting YHZ-SPS Solar Photovoltaic Power System is developed and manufactured with the highest standards in Guangdong, China. It is certified by MSDS and is available in minimal order quantity of 1. The price range of the system is USD25-65 per unit. The package of the system includes 540\*350\*310mm 16.8KG (2pcs machines for one carton) and solar panel 675\*330\*375mm 28KG/5pcs. The delivery time for one 20' container is 25 days. The payment terms include T/T, Western Union and MoneyGram. The supply ability of the system is 1000Pcs/month. The power of the system is 1000W and the battery is lithium battery. The system is suitable for Home/ Commercial/ Industrial applications and the inverter is a pure sine wave and the controller is MPPT.

## Customization:

### Solar Power System

Brand Name: Yahua Lighting

Model Number: YHZ-SPS

Place of Origin: Guangdong, China

Certification: MSDS

Minimum Order Quantity: 1

Price: USD25-65

Packaging Details: 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs)

Delivery Time: 25 days for one 20' container

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Controller: MPPT

Waterproof Level: IP65

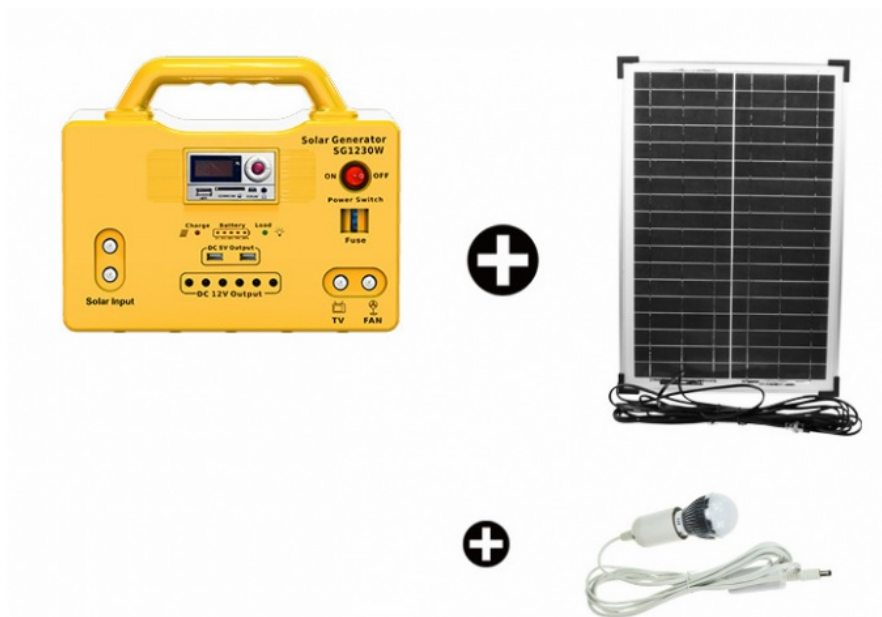

Power: 1000W

Working Temperature: -20°C~60°C

Size: Customized

### Solar Electricity System, off grid solar system, Solar Electrical System

Yahua Lighting's Solar Power System is an off grid solar system that provides you with reliable and efficient solar electricity. It is certified with MSDS and comes with waterproof IP65 protection. It has a 1000W power capacity and can work in temperature ranging from -20°C~60°C. It also offers customizable size to fit your needs. The minimum order is 1 and the price ranges from USD25 to 65. Delivery time is 25 days for a 20' container, and the supply ability is 1000 pcs/month. Payment methods include T/T, Western Union, and MoneyGram.

## Support and Services:

### Solar Power System Technical Support and Service

We provide top-notch technical support and service for all of our Solar Power System products. Our team of experienced professionals can help you with any queries related to installation, maintenance, and troubleshooting.

We are committed to providing customer satisfaction and have a 24/7 helpline that you can call for assistance. We also have a detailed online support portal where you can find answers to your questions and get advice from our experts.

If you need any additional help with your Solar Power System products, please don't hesitate to contact us. We'd be more than happy to help.

## Packing and Shipping:

#### Packaging and Shipping for Solar Power System

All solar power system orders are carefully packaged in cardboard boxes and taped securely for protection during shipping. The systems are shipped with FedEx or UPS to ensure prompt delivery.

We offer standard shipping rates for all orders and expedited shipping services for an additional fee. For all international orders, tracking information and estimated delivery dates will be provided.

If you have any questions about shipping or would like to schedule a delivery, please contact us.

#### FAQ:

Q: What is Yahua Lighting's Solar Power System?

A: Yahua Lighting's Solar Power System (Model Number: YHZ-SPS) is a solar energy generating system that is certified by MSDS and has a minimum order quantity of 1. It is produced in Guangdong, China and the price ranges from USD25-65. Each box includes 540\*350\*310mm 16.8KG(2pcs machines for one carton, solar panel 675\*330\*375mm 28KG/5pcs). Delivery time is 25 days for one 20' container and the payment terms are T/T, Western Union, MoneyGram. We can supply up to 1000Pcs/month.

Q: Are Yahua Lighting's Solar Power Systems certified?

A: Yes, Yahua Lighting's Solar Power Systems are certified by MSDS.

Q: What is the minimum order quantity for Yahua Lighting's Solar Power System?

A: The minimum order quantity for Yahua Lighting's Solar Power System is 1.

Q: How much does Yahua Lighting's Solar Power System cost?

A: Yahua Lighting's Solar Power System costs between USD25-65.

Q: How long is the delivery time for Yahua Lighting's Solar Power System?

A: The delivery time for Yahua Lighting's Solar Power System is 25 days for one 20' container.
