### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-55
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

### Product Specification

- Waterproof Level: IP65
- Color Temperature: 5000K-6000K
- Lumen: 6000lm
- Power: 20W 30W 40W 50W 60W 70W
- Working Temperature: -20 -60
- Product Name: Solar Panel Street Light
- Lighting Mode: Time Control/Remote Control
- Warranty: 3 Years
- Highlight: 6000lm Solar Powered Outdoor Lighting, Remote Control Solar Panel Street Light, Solar Powered Outdoor Lighting 20W

### Product Description

#### Product Description:

Solar Panel Street Light

Our Product

The Solar Panel Street Light is a high-efficiency solar powered streetlighting system that can provide up to 12 hours of lighting time. This system utilizes a monocrystalline silicon solar panel to generate energy from the sun, which is stored in a lithium battery. This system is designed to emit light with a color temperature ranging from 5000K to 6000K, ensuring optimal visibility and safety. The Solar Panel Street Lighting System is the perfect solution for your outdoor lighting needs, providing a reliable and renewable source of lighting. It is the perfect choice for solar powered streetlights, solar powered streetlighting, and solar street lights.

### Features:

**Solar Powered Road Lights:** Waterproof Level: IP65, Color Temperature: 5000K-6000K, Lighting Time: 12 Hours, Weight: 15Kg, Lumen: 6000lm

**Solar Powered Street Lighting:** Waterproof Level: IP65, Color Temperature: 5000K-6000K, Lighting Time: 12 Hours, Weight: 15Kg, Lumen: 6000lm

**Solar Panel Street Lighting:** Waterproof Level: IP65, Color Temperature: 5000K-6000K, Lighting Time: 12 Hours, Weight: 15Kg, Lumen: 6000lm

Technical Parameters:

Parameter	Value
Component	LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller
Material	Aluminum Alloy
Battery	Lithium Battery
Lighting Time	12 Hours
Working Temperature	-20 -60
Color Temperature	5000K-6000K
Product Name	Solar Panel Street Light
Light post	Available
Waterproof Level	IP65
Lumen	6000lm
Special Feature	Solar Powered Outdoor Lighting, Solar Powered Road Lights, Solar Panel Street Lighting

Applications:

Yahua Lighting YHZ-SSL is a perfect choice for your solar powered street lighting needs. This advanced solar panel road light is certified with CE IP65 ROHS ISO, ensuring excellent quality and absolute safety. It is packed with anti-collision and shatterproof packaging to guarantee its perfect condition. The minimum order quantity is 1 and the price range is USD19-55. Delivery within 5-8 days is available and various payment options, including T/T, Western Union, MoneyGram. Yahua Lighting YHZ-SSL can offer 1000Pcs/month supply ability. Its waterproof level is IP65, lumen is 6000lm and lithium battery will be included. The component consists of LED lamp, mono solar panel, battery box, battery, connecting wire and solar controller. The material is aluminum alloy.

### Customization:

Custom Solar Panel Street Light from Yahua Lighting

Yahua Lighting's Solar Panel Street Light (YHZ-SSL) provides a perfect solution for outdoor lighting and has a wide range of applications, including Solar Panel Street Lighting, Solar Panel Road Lights, Solar Powered Street Lighting, Solar Panel Street Lights and more. This product is made with high quality materials and comes with certifications such as CE, IP65, ROHS, and ISO.

**Place of Origin:** China

**Certification:** CE, IP65, ROHS, ISO

**Minimum Order Quantity:** 1

**Price:** USD19-55

**Packaging Details:** Anti-collision and shatterproof packaging

**Delivery Time:** 5-8 days

**Payment Terms:** T/T, Western Union, MoneyGram

**Supply Ability:** 1000Pcs/month

**Solar Panel:** Monocrystalline Silicon

**Working Temperature:** -20 -60

**Material:** Aluminum Alloy

**Color Temperature:** 5000K-6000K

**Lighting Time:** 12 Hours

### Packing and Shipping:

The Solar Panel Street Light will be packaged and shipped using the following steps:

All components of the Solar Panel Street Light will be carefully inspected to ensure they are in perfect working condition.

The components will then be packed in a sturdy cardboard box, with cushioning materials used to protect the components during transit.

The box will then be sealed with packing tape and labeled with the product name, destination address, and shipping details.

The sealed package will then be delivered to the designated shipping carrier.
