

Customized Solar Energy System 12V / 24V For Home And Commercial Use

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: MSDS
- Model Number: YHZ-SPS
- Minimum Order Quantity: 1
- Price: USD25-65
- Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)
- Delivery Time: 25 days for one 20' container
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

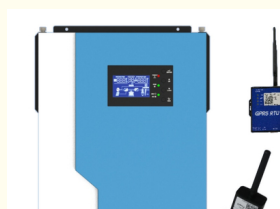

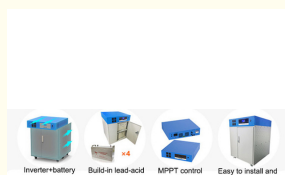

Product Specification

- Power: 1000W
- Warranty: 10 Years
- Type: Solar Power System
- Inverter: Pure Sine Wave
- Application: Home/ Commercial/ Industrial
- Display: LCD Display
- Size: Customized
- Waterproof Level: IP65
- Highlight: Commercial Solar Energy System 1000W, Customized Solar Energy System 24V, IP65 Solar Power System

Product Description

Product Description:

Our Solar Power System is a Photovoltaic Electricity System that utilizes solar energy from the sun to generate electricity. It is suitable for a variety of applications, including residential homes, businesses, and industries. The Solar Power System is composed of solar modules, a solar controller, a solar inverter, and a lithium battery. The solar modules use the sun's energy to generate electricity, and the solar controller regulates the amount of power collected from the sun. The solar inverter converts the direct current generated from the solar modules into alternating current. The lithium battery stores the electricity generated by the solar panels, so that it is available for use even when the sun is not shining. The system can be customized to meet the specific needs of the user, and it can work in temperatures ranging from -20°C to 60°C. Our Solar Power System is a reliable and efficient way to harness the power of the sun and generate clean, renewable energy.

Features:

Product Name: **Solar Power System**

Voltage: **12V/24V**

Battery: **Lithium Battery**

Waterproof Level: **IP65**

Type: **Solar Photovoltaic Power System**

Inverter: **Pure Sine Wave**

Solar Power Generation System: **hybrid solar system**

Technical Parameters:

Product Attributes	Specification
Type	Solar Power System
Power	1000W
Application	Home/ Commercial/ Industrial
Warranty	10 Years
Controller	MPPT
Size	Customized
Waterproof Level	IP65
Working Temperature	-20°C~60°C
Inverter	Pure Sine Wave
Voltage	12V/24V

Applications:

Yahua Lighting's YHZ-SPS Solar Power System is certified by MSDS and manufactured in Guangdong, China. It can be purchased in minimum quantity of 1 and at a price range of USD25-65. Packaging details for each Solar Power System is 540*350*310mm 16.8KG (2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs). Delivery time for one 20' container is 25 days. Payment terms accepted are T/T, Western Union, and MoneyGram. Supply ability is 1000Pcs/month. It has an LCD Display for user convenience. This photovoltaic electricity system is suitable for home, commercial, and industrial applications. It is available in 12V/24V voltage and uses MPPT controller and pure sine wave inverter.

Customization:

Yahua Lighting Solar Power System

Product Details:

Brand Name: Yahua Lighting

Model Number: YHZ-SPS

Place of Origin: Guangdong, China

Certification: MSDS

Minimum Order Quantity: 1

Price: USD25-65

Packaging Details: 540*350*310mm 16.8KG(2pcs machines for one carton, solar panel 675*330*375mm 28KG/5pcs)

Delivery Time: 25 days for one 20' container

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 1000Pcs/month

Voltage: 12V/24V

Display: LCD Display

Battery: Lithium Battery

Controller: MPPT

Warranty: 10 Years

Support and Services:

Technical Support and Services for Solar Power System

We provide comprehensive technical support and services to ensure the smooth operation of Solar Power System.

Pre-Sales Support

Provide technical support on product selection, system design, and integration.

Provide technical documents to ensure a successful integration.

Installation Support

Provide on-site technical support for system installation and commissioning.

Provide remote technical support and troubleshooting assistance for system installation and commissioning.

Post-Sales Support

Provide on-site technical support for system maintenance and repair.

Provide remote technical support and troubleshooting assistance for system maintenance and repair.

Provide software updates to ensure the system is running with the latest version.

Packing and Shipping:

Packaging and Shipping for Solar Power System:

The solar panel will be protected by foam and placed in a cardboard box.

The solar power system inverter and other components will be packed in a waterproof and shockproof case.

The packages will be shipped by a reliable freight forwarder.

FAQ:

Q1: What is Yahua Lighting's Solar Power System?

A1: Yahua Lighting's Solar Power System is a solar energy solution that can be used for homes, businesses, and industrial applications. It consists of solar panels, an inverter, and other components such as batteries and charge controllers. The system is designed to provide an efficient and cost-effective way to generate electricity from the sun.

Q2: What is the model number of Yahua Lighting's Solar Power System?

A2: The model number of Yahua Lighting's Solar Power System is YHZ-SPS.

Q3: What certifications does Yahua Lighting's Solar Power System have?

A3: Yahua Lighting's Solar Power System has been certified with MSDS.

Q4: What is the minimum order quantity for Yahua Lighting's Solar Power System?

A4: The minimum order quantity for Yahua Lighting's Solar Power System is 1.

Q5: What is the price range of Yahua Lighting's Solar Power System?

A5: The price range of Yahua Lighting's Solar Power System is USD25-65.
