100W 200W 300W 400W China Outdoor Solar Street Lamp Aluminum Remote Control Waterproof Solar Powered Led Street Light

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Color Temperature: 6000K
- Voltage: 25.6V
- Working Temperature: -20 ~+60
- Power: 150W
- Sensing Distance: 20-25m
- Waterproof Level: IP65
- Solar Panel: Monocrystalline Silicon
- Warranty: 3 Years
- Highlight: **IP65 Remote Control Solar Street Light**, **400W Outdoor Solar Street Lamp**, **Monocrystalline Silicon Led Street Light**

Product Description:

Our Integrated Solar Street Light is a highly efficient lighting solution for outdoor applications. With our patented integrated solar lighting system, this product offers an energy-saving and cost-effective alternative to traditional street lighting. Our product features a 3-year warranty and a luminous flux of 150-160LM/W. The waterproof level of this product is IP65 and it is designed to be installed at a height of 9-12m, with a sensing distance of 20-25m. Our integrated solar lighting solution provide a reliable and secure lighting system that can be used in both urban and rural areas. With its high quality workmanship and cutting-edge technology, our integrated solar street lighting system is sure to provide you with an outstanding performance.

Monocrystalline Solar Panel

Good light absorption and fast charging.
Sustainable lighting after full power 2-3 rainy days.

Super Bright Led Chip

High brightness SMD2835 LED source, high light transmittance, low light attenuation.

Die-cast Aluminum

There are heat dissipation holes on the surface of the lamp body to extend the life of the LED chip.

Silicone Waterproof Seal

Non-adhesive sillicone waterproof seal design, waterproof grade reaches IP67.
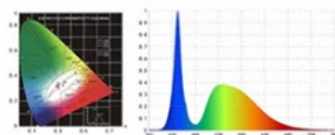

IP67 WATERPROOF

It can also be used normally During thunderstorms.

Testing Report

5V/30W photovoltaic panels, charging peak current is 6V.
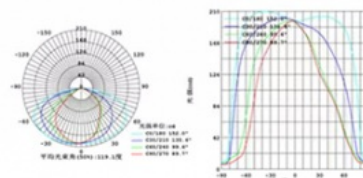

6V/30W photovoltaic panels, charging peak current is 5V.

P-MOS charging increases the charging efficiency by 20%

Testing Report

Beam Angle Report

Features:

Product Name: Integrated Solar Street Light
Light Source: LED
Solar Panel: Monocrystalline Silicon
Power: 150W
Warranty: 3 Years

Installation Height: 9-12m
Features: Integrated Solar Outdoor Light, Solar Powered Street Lamp, Integrated Solar Outdoor Light

Technical Parameters:

Parameter	Value
Sensing Distance	20-25m
Power	150W
Lighting Time	More Than 12 Hours
Waterproof Level	IP65
Battery Capacity	25.6V 32Ah/48Ah
Lighting Angle	140°
Installation Height	9-12m
Light Source	LED
Solar Panel	Monocrystalline Silicon
Material	Aluminum Alloy

Applications:

Integrated Solar Street Light is a perfect solution for all-in-one solar lighting system. It is developed, manufactured and marketed by Yahua Lighting, a leading brand in the industry. The model number of this product is YHZ-SSL. It is certified with CE IP65 ROHS ISO and comes with Anti-collision and shatterproof packaging. The minimum order quantity is 1 and the price is between USD105-249. The delivery time is 5-8 days and the payment terms are T/T, Western Union, MoneyGram. The supply ability is 500Pcs/month and the lighting time is more than 12 hours. The working temperature is from -20 ~+60 and it is equipped with light source LED. The installation height is 9-12m and the power is 150W.

Customization:

Customized Integrated Solar Street Light from Yahua Lighting

Brand Name: Yahua Lighting
Model Number: YHZ-SSL
Place of Origin: China
Certification: CE IP65 ROHS ISO
Minimum Order Quantity: 1
Price: USD105-249
Packaging Details: Anti-collision and shatterproof packaging
Delivery Time: 5-8 days
Payment Terms: T/T, Western Union, MoneyGram
Supply Ability: 500Pcs/month
Luminous Flux: 150-160LM/W
Solar Panel: Monocrystalline Silicon
Waterproof Level: IP65
Power: 150W
Working Temperature: -20 ~+60
Yahua Lighting provides custom-made Integrated Solar Street Lighting System with All-in-one Solar Street Light for your unique requirements. Our integrated solar street lights are certified with CE, IP65, ROHS, ISO and provide 150-160LM/W luminous flux, 150W power, waterproof level IP65, monocrystalline silicon solar panel and -20 ~+60 working temperature. It is available at minimal order quantity 1 and price range from USD105-249. Get it delivered to your doorstep within 5-8 days with anti-collision and shatterproof packaging. Enjoy hassle-free payment options with T/T, Western Union, MoneyGram. And with our monthly production capacity of 500Pcs, you get the best deals at the best price!

Support and Services:

Integrated Solar Street Light provides technical support and service to our customers to ensure that they are fully satisfied with our products. We are committed to providing a high level of customer service and technical support to ensure that our customers get the most out of their solar street light. Our technical support team is available to answer any questions or concerns you may have about our product. We provide a comprehensive range of services including installation, maintenance, and repair of the solar street light. We also provide a warranty for our products to ensure that you are completely satisfied with your purchase. If you have any questions or concerns about our product or services, please feel free to contact us.

Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping:
Our integrated solar street lights are shipped in specially designed packaging to ensure that they arrive to you safely and in perfect condition. The packaging is made of strong, durable materials to protect against any potential damage during transit. The packaging also includes instructions for easy assembly and installation upon arrival.

FAQ:

Integrated Solar Street Light

Frequently Asked Questions

Q: What is the brand name of this Integrated Solar Street Light?
A: The brand name of this Integrated Solar Street Light is Yahua Lighting.
Q: What is the Model Number of this Integrated Solar Street Light?
A: The Model Number of this Integrated Solar Street Light is YHZ-SSL.
Q: Where is this Integrated Solar Street Light made?
A: This Integrated Solar Street Light is made in China.
Q: What certifications does this Integrated Solar Street Light have?
A: This Integrated Solar Street Light has CE IP65 ROHS ISO certifications.
Q: What is the minimum order quantity of this Integrated Solar Street Light?
A: The minimum order quantity of this Integrated Solar Street Light is 1.
