

Solar Powered High Lumen Smart Integrated All In One Led Solar Street Light Security Led Solar Street Light

Our Product Introduction

for more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- Application: Road , Street , Yard, Park, Garden Etc
- Color Temperature: 3000K-6500K
- CRI: Ra>80
- Panel: Mono Solar Panel
- Material: Aluminum Alloy
- Warranty: 3-5 Years
- Life Span: 50,000hrs
- Highlight: **High Lumen Smart LED Street Light, 3000K Integrated LED Solar Street Light, IP65 Waterproof LED Solar Street Light**

Product Description

Product Description:

Solar LED Street Light is an integrated solar lighting system, which is automatically activated to provide bright lighting for roads, pathways, parking lots, and other public areas. It features a Lithium Iron Phosphate Battery that is capable of providing up to 150lm/w of luminous flux, while its aluminum alloy material and Ra>80 CRI ensure superior quality of the light. With a strong warranty of 3-5 years, this Solar Powered LED Street Light is the perfect choice for your outdoor lighting needs.

Features:

Product Name: Integrated Solar LED Light
 Lighting Mode: Remote Control+Light Control+Radar Sensor
 Application: Road , Street , Yard, Park, Garden Etc
 Panel: Mono Solar Panel
 Working Temperature: -40°C-60°C
 IP Rating: IP65 Waterproof
 Solar Powered LED Street Light
 Solar Street Lighting System

Technical Parameters:

Parameter	Value
Life Span	50,000hrs
Certification	EMC, RoHS, CE, FCC, LVD
Panel	Mono Solar Panel
Model Name	All In One Solar Street Lighting
Material	Aluminum Alloy
Warranty	3-5 Years
Lighting Mode	Remote Control+Light Control+Radar Sensor
Color Temperature	3000K-6500K
Battery	Lithium Iron Phosphate Battery
CRI	Ra>80
Power Source	Solar Powered LED Street Light
Controller	Solar Street Lighting Controller
Technology	Automated Solar LED Street Light, Intelligent Solar LED Street Light

Applications:

Yahua Solar Street Lighting System, with its model number **YHZ-SSL**, is a solar-powered energy efficient street light system that is designed and manufactured in Guangdong, China. It is certified for EMC, RoHS, CE, FCC, and LVD requirements, and comes with an anti-collision and shatterproof packaging to ensure safe delivery. The delivery time is 5-8 days and the payment terms are T/T, Western Union, and MoneyGram. The supply ability is 3000pcs/month. With an IP65 waterproof rating and a lifespan of 50,000hrs, Yahua Solar Street Lighting System is suitable for many outdoor applications such as roads, streets, yards, parks, and gardens. It also has a working temperature range from -40°C to 60°C.

Customization:

Customized Solar LED Street Light from Yahua Solar Street Lighting
 Brand Name: Yahua Solar Street lighting
 Model Number: YHZ-SSL
 Place of Origin: Guangdong China
 Certification: EMC, RoHS, CE, FCC, LVD

Minimum Order Quantity: 1
Packaging Details: Anti-collision and shatterproof packaging
Delivery Time: 5-8 days
Payment Terms: T/T, Western Union, MoneyGram
Supply Ability: 3000pcs/month
Working Temperature: -40°C-60°C
Material: Aluminum Alloy
Warranty: 3-5 Years
Led Chip: SMD3030

Yahua Solar Street Lighting provides customized Solar LED Street Light with Solar Street Lighting System, Solar Energy Powered Street Light, Solar Powered LED Street Light. With long lifespan, high efficient, low energy consumption, Yahua Solar Street Lighting provides you with reliable and cost-effective solar LED street light.

Support and Services:

Solar LED Street Light provides technical support and services to ensure customer satisfaction. We offer a wide range of services including installation, troubleshooting, maintenance, repair, and product upgrades. Our experienced technical support team is available to answer questions, provide advice, and resolve any issues that may arise. We also provide regular maintenance services to ensure the optimal performance of our products. In addition, we offer product upgrades to keep up with the latest technology and ensure our customers have the best experience possible.

Packing and Shipping:

Packaging and Shipping

Our Solar LED Street Light is packaged safely and securely to ensure the product is delivered to you in prime condition. We use durable packaging materials to protect the product during shipping and handling. The product is packaged in a cardboard box, placed inside a foam insert for extra protection. We use reliable, fast shipping methods to ensure your product is delivered in a timely manner.
