Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

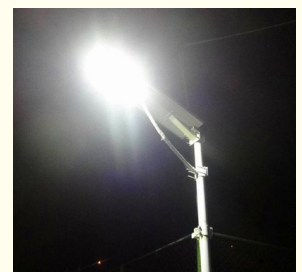

Product Specification

- Installation Height: 9-12m
- Lighting Time: More Than 12 Hours
- Battery Capacity: 25.6V 32Ah/48Ah
- Waterproof Level: IP65
- Material: Aluminum Alloy
- Power: 150W
- Solar Panel: Monocrystalline Silicon
- Color Temperature: 6000K
- Working Temperature: -20 ~+60
- Highlight: **150W All In One Street Lamp,
Waterproof Integrated Solar Streetlight,
Integrated Solar Street Light With Pole**

Product Description

150W All In One high quality IP65 Waterproof Integrated Solar Street Light Streetlight Outdoor with pole

Product Description:

The Integrated Solar Street Light represents the perfect combination of modern-day technology and sustainability. This integrated solar lighting system uses the latest monocrystalline silicon solar panels, with 25.6V voltage and a battery capacity of 25.6V 32Ah/48Ah, to deliver a superior, reliable and cost-effective solution for your outdoor lighting needs. The installation height of 9-12m ensures that the light output is more than adequate for your outdoor lighting needs. The color temperature of 6000K ensures that the illumination is consistent and uniform. The Integrated Solar Street Light is the perfect solution for all your outdoor lighting needs.

The Integrated Solar Street Light is a solar powered street lamp that is designed to provide reliable, stable and cost-effective lighting. Its advanced solar technology and energy efficient components allow you to operate without any electricity bills. With its superior design and easy installation, the Integrated Solar Street Light provides you with a reliable lighting solution that will last for years to come. The Integrated Solar Street Light is the perfect choice for all your outdoor lighting needs. Its advanced solar technology, long-lasting battery capacity and reliable performance make it the ideal choice for illuminating your outdoor areas. With its efficient design, it is the perfect solution for providing reliable and cost-effective lighting in any outdoor setting.

33V 110W Solar panel

All aluminum body

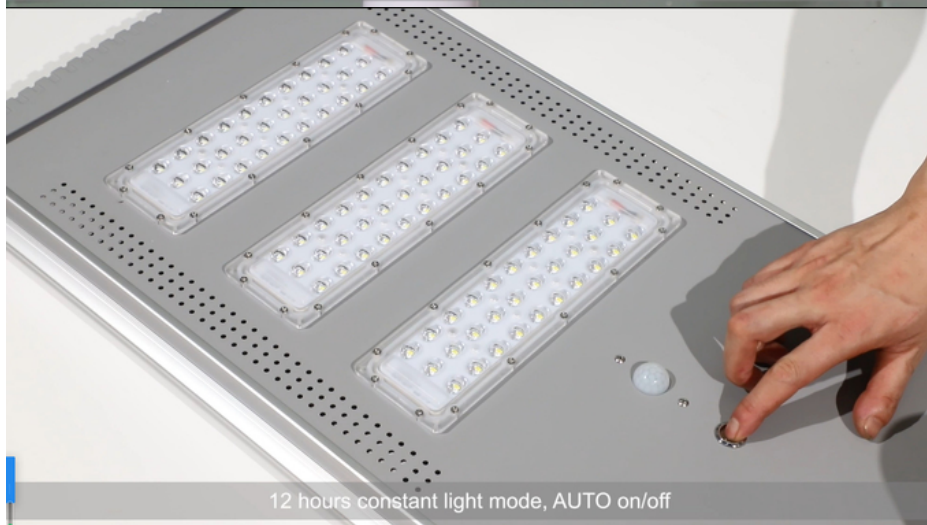

80W bridgelux super white bright LEDs
Bright mode 8800Lm

Lighting time: Charging 6 ~ 8 hours a day ,
can continuous working for 3 days

Waterproof IP65: A well positioned solar panel
will enable this product to work
in any weather

Easy to install safety and stability, long life

12 hours constant light mode, AUTO on/off

Features:

Product Name: Integrated Solar Street Light

Solar Powered Street Lamp
Intergrated Solar Lighting System
Integrated Solar Outdoor Light
Luminous Flux: 150-160LM/W
Battery Capacity: 25.6V 32Ah/48Ah
Light Source: LED
Lighting Time: More Than 12 Hours
Lighting Angle: 140°

Technical Parameters:

Parameters	Values
Product Name	Integrated Solar Street Lamp, All-in-one Solar Street Light, Integrated Solar Lighting System
Lighting Angle	140°
Voltage	25.6V
Luminous Flux	150-160LM/W
Installation Height	9-12m
Warranty	3 Years
Battery Capacity	25.6V 32Ah/48Ah
Color Temperature	6000K
Working Temperature	-20 ~+60
Lighting Time	More Than 12 Hours
Power	150W

Applications:

Yahua Lighting's **Integrated Solar Street Light** provides a perfect lighting solution for outdoor lighting needs. With its advanced **monocrystalline silicon solar panel** and **high-efficiency LED lights**, it provides up to **150-160LM/W** luminous flux. The light is designed with a **140° lighting angle** and **25.6V voltage** to ensure maximum lighting coverage. It is **CE IP65 ROHS ISO** certified and comes with a **1-year warranty** to ensure complete customer satisfaction. The light is **shockproof and shatterproof**, thus providing long-term lighting without any damage. It can be easily installed in any outdoor area and can provide lighting for more than 12 hours. The **all-in-one solar street light** is available for a **minimum order quantity of 1** at a price range of **USD105-249** with **5-8 days delivery time** and payment terms of **T/T, Western Union, MoneyGram**. The company also provides a **monthly supply ability of 500Pcs**.

Customization:

Integrated Solar Street Light with Motion Sensor

Yahua Lighting YHZ-SSL Integrated Solar Street Light with Motion Sensor is designed to work year-round, even in the harshest weather conditions. It is the perfect choice for outdoor lighting applications such as roads, parks, gardens, and other public areas. Our solar light is powered by high-efficiency monocrystalline silicon solar cells, and its smart motion sensor can detect any movement within 10-16 meters and give you a bright illumination.
