

Solar Powered LED Street Light With CRI_{Ra}>80 And Lithium Iron Phosphate Battery

Our Product Introduction

for more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- Lighting Mode: Remote Control+Light Control+Radar Sensor
- Panel: Mono Solar Panel
- Material: Aluminum Alloy
- Battery: Lithium Iron Phosphate Battery
- CRI: Ra>80
- Color Temperature: 3000K-6500K
- Model Name: All In One Solar Street Lighting
- Highlight: **IP65 Aluminum Alloy Solar Street Lamp,
Solar Powered LED Street Light 6500K,
Lithium Iron Phosphate Battery Street Light**

Product Description

Product Description:

Our Solar LED Street Light is the perfect choice for all outdoor lighting needs. With an ultra-high luminous flux of 150lm/w, a CRI of Ra>80 and a life span of 50,000hrs, this solar rechargeable street light is perfect for road, street, yard, park and garden applications. Equipped with SMD3030 LED chips, this automatic solar street lighting is of high lumen, high CRI and high life span, making it the ideal choice for all your outdoor lighting needs. Our Solar Rechargeable Street Light is your best choice for safe and reliable illumination.

Features:

Product Name: Solar LED Street Light
Working Temperature: -40°C-60°C
Life Span: 50,000hrs
Model name: All In One Solar Street Lighting
CRI: Ra>80
Led Chip: SMD3030
Solar Powered LED Street Light
Solar Rechargeable Street Light

Technical Parameters:

Parameter	Value
Luminous Flux	150lm/w
Lighting Mode	Remote Control+Light Control+Radar Sensor
Panel	Mono Solar Panel
Color Temperature	3000K-6500K
Certification	EMC, RoHS, CE, FCC, LVD
Led Chip	SMD3030
Working Temperature	-40°C-60°C
Application	Road, Street, Yard, Park, Garden Etc
Material	Aluminum Alloy
IP Rating	IP65 Waterproof
Product Name	Solar LED Street Light
Keywords	Solar Energy Powered Street Light, Integrated Solar LED Light, Automated Solar LED Street Light

Applications:

Yahua Solar Street Lighting YHZ-SSL is a solar energy powered street light, with a controller that automatically controls the solar street lighting. This product is certified by EMC, RoHS, CE, FCC, LVD. Minimum order quantity is 1, and the packaging is anti-collision and shatterproof. Delivery time is 5-8 days, and payment terms are T/T, Western Union, MoneyGram. Supply ability is 3000pcs/month, and it has a life span of 50,000hrs. It is waterproof with an IP rating of IP65. This solar LED street light can be applied in road, street, yard, park, garden, etc. and it has a color temperature range from 3000K to 6500K.

Customization:

Yahua Solar LED Street Light Customized Service

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 3000pcs/month

CRI: Ra>80

Panel: Mono Solar Panel

Life Span: 50,000hrs

Material: Aluminum Alloy

Integrated Solar LED Light, Solar Street Lighting System, Automatic Solar Street Lighting System

Support and Services:

We provide technical support and services for our Solar LED Street Light products, including:

Detailed product information and specifications

Installation instructions and troubleshooting

Product maintenance and repair

Updates on new features or technologies

Replacement parts and accessories

Packing and Shipping:

Solar LED Street Light Packaging and Shipping:

The Solar LED Street Lights are packed in cardboard boxes.

The boxes are then wrapped in bubble wrap.

The boxes are placed in shipping containers for transport.

FAQ:

Q: What is the Brand Name of the Solar LED Street Light?

A: The Brand Name of the Solar LED Street Light is Yahua Solar Street lighting.

Q: What is the Model Number of the Solar LED Street Light?

A: The Model Number of the Solar LED Street Light is YHZ-SSL.

Q: Where is the Solar LED Street Light produced?

A: The Solar LED Street Light is produced in Guangdong China.

Q: What certifications does the Solar LED Street Light have?

A: The Solar LED Street Light has CE, IP65, ROHS, and ISO certifications.

Q: How many Solar LED Street Lights can be supplied per month?

A: The supplier can supply up to 3000pcs of Solar LED Street Lights per month.
