Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

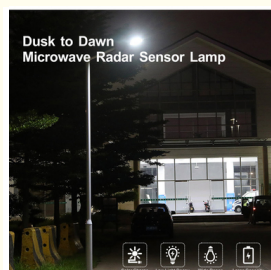

Product Specification

- Sensing Distance: 20-25m
- Luminous Flux: 150-160LM/W
- Installation Height: 9-12m
- Solar Panel: Monocrystalline Silicon
- Voltage: 25.6V
- Lighting Angle: 140°
- Power: 150W
- Waterproof Level: IP65
- Highlight: 80W Integrated Solar Street Light, Waterproof Integrated LED Solar Street Lamp, 160W Integrated Solar Street Light

Product Description

Product Description:

Our Integrated Solar Street Light is a high-quality, super bright, energy-saving and environmentally-friendly outdoor light. It is powered by solar energy, making it an ideal choice for areas that lack access to electricity. With its high-grade aluminum alloy body, tempered glass panel, and IP65 waterproof rating, it is designed to withstand all kinds of weather conditions. With 150W of power, 25.6V voltage, and a 6000K color temperature, this integrated solar outdoor light provides you with bright illumination. It also comes with a 3-year warranty and is suitable for installation heights of 9 to 12 meters. So whether you need a solar powered outdoor light, a solar street light, or a solar LED street light, our Integrated Solar Street Light is the perfect choice for you.

10-METER LONG-DISTANCE RADAR SENSING

SOMEONE HAS AUTOMATICALLY ADJUSTED THE FULL-LIGHT MODE LIGHTING
AND LEFT THE SENSING RANGE FOR 30 SECONDS TO AUTOMATICALLY
ADJUST THE POWER-SAVING DIM MODE

Features:

Product Name: Integrated Solar Street Light

Light Source: LED

Luminous Flux: 150-160LM/W

Lighting Angle: 140°

Color Temperature: 6000K

Waterproof Level: IP65

Special Feature: Integrated Solar Outdoor Light, Solar Powered Street Lamp, Integrated Solar Streetlamp

PRODUCT DETAILS

Adopt anti-oxidation high-quality ABS plastic shell
High hardness and fast heat dissipation;

High quality polysilicon solar panel, low light charging technology,
high photoelectric conversion rate

Technical Parameters:

| Parameter | Value |
|-------------------|-------------------------|
| Color Temperature | 6000K |
| Material | Aluminum Alloy |
| Lighting Angle | 140° |
| Light Source | LED |
| Warranty | 3 Years |
| Solar Panel | Monocrystalline Silicon |
| Power | 150W |
| Lighting Time | More Than 12 Hours |
| Sensing Distance | 20-25m |
| Waterproof Level | IP65 |

Applications:

Yahua Lighting's Integrated Solar Street Light is the perfect solution for outdoor lighting needs with its brand name, high quality, and durable material. It has a model number of YHZ-SSL and is certified by CE, IP65, ROHS and ISO. It is made out of aluminum alloy and

its solar panel is made out of monocrystalline silicon. It has a minimum order quantity of 1 and the price range is from USD105-249. The lighting angle of the lamp is 140° and its lighting time is more than 12 hours. The working temperature of the lamp is -20 to +60 . It is packed in anti-collision and shatterproof packaging and its delivery time is 5-8 days. Payment terms are T/T, Western Union, and MoneyGram. The supply ability is 500Pcs/month.

Yahua Lighting's Integrated Solar Street Light has a wide range of applications including residential and commercial areas, highways, parks, and gardens. It is an all-in-one solar lamp and is solar powered, making it a great choice for outdoor lighting. This light is ideal for illuminating outdoor areas such as walkways, driveways, yards, and parking lots, as well as providing security. It is energy efficient, cost effective, and is environmentally friendly. This light is a great choice for those looking for a reliable and efficient lighting solution for their outdoor lighting needs.
