Product Description

Product Description:

Our Pro

Introducing our LED Camping Flood Lights: your ultimate companion for outdoor adventures.

These compact, powerful, and portable lights are designed to enhance your camping experience. Powered by advanced LED technology, our Camping Flood Lights provide bright and efficient lighting, ensuring optimal visibility in the darkest of nights.

With their lightweight and easy-to-carry design, they effortlessly fit into your camping gear without adding extra bulk. Featuring adjustable angles, you can direct the light exactly where you need it, whether it's lighting up your tent, or your cooking area, or creating a cozy ambiance around the campfire.

Equipped with long-lasting batteries, our LED Camping Flood Lights offer extended runtime, keeping your campsite illuminated throughout the night. Their durable construction ensures resistance to rugged outdoor conditions, making them reliable companions for your outdoor adventures.

Features:

The **LED Camping Flood Lights** comes with a sleek design crafted from die-cast aluminum, effectively dissipating heat, protecting the wick, and boosting its lifespan. It additionally boasts a thick EVA handle cover that absorbs sweat and offers an anti-slip feature, ensuring a secure, comfortable grip. This allows you to maneuver the lamp and adjust it to various angles, making it versatile and optimally functional in different scenarios. Moreover, its robust glass panel provides scratch resistance, preserving its captivating aesthetic even with prolonged use.

Our product also offers unparalleled convenience with its detachable base that streamlines the installation and removal process. Installing it would be a breeze with its tool-free mechanism featuring a hex nut that can be quickly tightened by hand.

Technical Parameters:

Power	50w
Battery Capacity	3.7V 2000mAh
Battery	18650
Surface Color	Yellow
Beam Angle	120°

Charge Time	4 hours
IP Rating	IP65
