Product Description

Product Description:

Outdoor Solar LED Lights are designed to provide a lighting solution for a range of outdoor areas. With mounting heights of 3-5 meters, these lights are designed to be durable and reliable in any weather conditions. The unit size of 600*350*17mm makes them easy to install and perfect for a variety of settings. The lights come with ISO/CE / ROHS / IP65 certification and are rated for a power of 200W, 300W, and 500W. With a charge time of only 6-7 hours under strong sunlight, these solar led tube lights are perfect for residential or commercial use. Their energy-saving design makes them an ideal choice for any outdoor lighting applications.
