Product Description

Product Description:

The All In One Solar Street Lighting is an automated solar LED street light system that is designed to provide reliable lighting in any outdoor space. It is made of high-quality aluminum alloy, and its working temperature ranges from -40°C to 60°C, ensuring excellent performance even in extreme weather conditions. This system is equipped with remote control, light control, and radar sensor, which enable it to automatically adjust its lighting based on the environment. It also has a long-term warranty of up to five years, ensuring long-term reliability and convenience. With its automated solar LED street lighting system, you can enjoy a bright and secure outdoor environment with minimal effort.

Our Product Introduction

Features:

Product Name: Solar LED Street Light
IP Rating: IP65 Waterproof
Certification: EMC, RoHS, CE, FCC, LVD
Panel: Mono Solar Panel
Color Temperature: 3000K-6500K
Battery: Lithium Iron Phosphate Battery
Solar Powered LED Street Light
Solar Rechargeable Street Light
Solar Rechargeable Street Light with Remote Control

Technical Parameters:

| Product Property | Details |
|---------------------|---|
| Application | Road, Street, Yard, Park, Garden, etc. |
| LED Chip | SMD3030 |
| Color Temperature | 3000K-6500K |
| IP Rating | IP65 Waterproof |
| Battery | Lithium Iron Phosphate Battery |
| Material | ABS |
| Model Name | All In One Solar Street Lighting |
| Certification | EMC, RoHS, CE, FCC, LVD |
| Working Temperature | -40°C-60°C |
| Lighting Mode | Remote Control+Light Control+Radar Sensor |

Applications:

Yahua Solar Street Lighting with model YHZ-SSL is a top-notch Solar Street Lighting System that is powered by solar energy and is certified with EMC, RoHS, CE, FCC, and LVD. The solar street lighting system is designed with anti-collision and shatterproof packaging for shipment and delivery time is only 5-8 days. It is available in a minimum order quantity of 1 and has a supply capacity of 3000pcs/month. The waterproof rating is IP65 and the working temperature range is from -40°C to 60°C. It has a warranty period of 3-5 years and has a lighting mode of Remote Control+Light Control+Radar Sensor. Payment options include T/T, Western Union, and MoneyGram. This Automatic Solar Street Lighting is the perfect solution for urban and rural areas.

Customization:

Customized Service: Yahua Solar Street Lighting
