Aluminum Alloy Integrated Solar Street Light With Environment-Friendly 150W Power

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Solar Panel: Monocrystalline Silicon
- Warranty: 3 Years
- Lighting Angle: 140°
- Working Temperature: -20°C~+60°C
- Lighting Time: More Than 12 Hours
- Material: Aluminum Alloy
- Waterproof Level: IP65
- Sensing Distance: 20-25m
- Highlight: **IP65 Solar Integrated Lamp, Aluminum Alloy Solar Street Light 150W, Monocrystalline Silicon Solar Panel Street Lamp**

Product Description

Product Description:

Our Integrated Solar Street Light is a cutting-edge, all-in-one, solar-powered outdoor lighting system that combines the best of modern engineering and traditional solar street lighting. This innovative lighting system utilizes the latest monocrystalline silicon solar panel technology and features a unique all-in-one design with a powerful 25.6V 32Ah/48Ah battery and a 6000K Color Temperature. With superior waterproofing capabilities, the Integrated Solar Street Light is rated IP65 and can provide more than 12 hours of illumination. This advanced all-in-one solar lamp is the perfect solution for outdoor lighting in any residential, commercial, or industrial setting.

Features:

Product Name: Integrated Solar Street Light

Color Temperature: 6000K

Waterproof Level: IP65
Working Temperature: -20°C~+60°C
Solar Panel: Monocrystalline Silicon
Voltage: 25.6V
Integrated Solar Lighting: Yes
Integrated Solar Street Lighting: Yes
Integrated Solar Lighting System: Yes

Technical Parameters:

| Attribute | Value |
|---------------------|-------------------------|
| Lighting Time | More Than 12 Hours |
| Battery Capacity | 25.6V 32Ah/48Ah |
| Material | Aluminum Alloy |
| Luminous Flux | 150-160LM/W |
| Solar Panel | Monocrystalline Silicon |
| Lighting Angle | 140° |
| Voltage | 25.6V |
| Working Temperature | -20°C~+60°C |
| Installation Height | 9-12m |
| Sensing Distance | 20-25m |

Applications:

Yahua Lighting's Integrated Solar Street Light, YHZ-SSL, is an all-in-one solar powered outdoor light. It is certified with CE IP65 ROHS ISO, and its minimum order quantity is 1. The price ranges from USD105-249 and it is packed in anti-collision and shatterproof packaging. It can be delivered within 5-8 days upon payment with T/T, Western Union or MoneyGram. The supply ability is 500Pcs/month. It has a voltage of 25.6V, a waterproof level of IP65, a lighting angle of 140° and a working temperature of -20°C~+60°C, with a sensing distance of 20-25m.

Customization:

Integrated Solar Streetlight

Yahua Lighting offers custom integrated solar streetlight solutions for customers. Our YHZ-SSL model is a reliable and cost-effective solution for your outdoor lighting needs.

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 1

Price: USD105-249

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 500Pcs/month

Installation Height: 9-12m

Power: 150W

Light Source: LED

Voltage: 25.6V

Material: Aluminum Alloy

Our integrated solar streetlight is a fully automated solar powered outdoor light, that can be installed with ease. The light source is LED, and it requires no electricity with its solar powered design. It is certified with CE IP65 ROHS ISO and comes in an anti-collision and shatterproof packaging. It is designed to last for years, and can be installed at a height of 9-12m. It has a power of 150W and a voltage of 25.6V. The material used in its construction is aluminum alloy.

We offer competitive prices and a fast delivery time of 5-8 days. We accept payment through T/T, Western Union, and MoneyGram. We are capable of producing 500Pcs/month and guarantee a high-quality product.

Support and Services:

Integrated Solar Street Light provides technical support and services, including:

24/7 customer service and technical support

Free consultation and troubleshooting

Regular product updates and upgrades

Warranty and repair services

Packing and Shipping:

Packaging and Shipping for Integrated Solar Street Light:

The Integrated Solar Street Light will be securely packaged in a box with cushioning material to protect it from any damage during shipping.

The box will be packaged in a protective outer box and shipped with reliable delivery services such as FedEx or UPS.

FAQ:

- ▶ **Q1: What is Integrated Solar Street Light?**
- ▶ **Q2: Where is Integrated Solar Street Light manufactured?**
- ▶ **Q3: What is the minimum order quantity for Integrated Solar Street Light?**
- ▶ **Q4: How much does Integrated Solar Street Light cost?**
- ▶ **Q5: What is the packaging and delivery time for Integrated Solar Street Light?**
