IP66 150W 200W Integrated Road Light With High Lumens Outdoor LED Solar Street Light

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Waterproof Level: IP65
- Color Temperature: 6000K
- Working Temperature: -20℃~+60℃
- Sensing Distance: 20-25m
- Material: Aluminum Alloy
- Light Source: LED
- Lighting Time: More Than 12 Hours
- Installation Height: 9-12m
- Highlight: **IP66 LED Solar Street Light**,
  200W Integrated Road Light,
  High Lumens Outdoor Integrated Road Light

Product Description

Our Product Introduction

Product Description:

The **Integrated Solar Street Light** is a revolutionary solar lighting system, which is designed to meet the various lighting needs of homes, streets, and other public places. It is a perfect integration of advanced technology and traditional lighting, offering high performance, low maintenance, and long life. The light source is a high-efficiency LED, which is powered by a 25.6V 32Ah/48Ah battery. The sensing distance is up to 20-25m, and it emits up to 150-160LM/W of luminous flux. The body of the light is made of robust aluminum alloy, which is strong enough to withstand extreme weather conditions and provides excellent protection from corrosion. With its integrated solar lighting system, the Integrated Solar Street Light can provide reliable lighting for your outdoor areas while reducing energy consumption.

33V 110W Solar panel

80W bridgelux super white bright LEDs
Bright mode 8800Lm

All aluminum body

Lighting time: Charging 6 ~ 8 hours a day ,
can continous working for 3 days

Waterproof IP65: A well positioned solar panel
will enable this product to work
in any weather

Features:

Integrated Solar Lighting System - Sensing Distance: 20-25m; Working Temperature: -20℃~+60℃; Color Temperature: 6000K; Battery Capacity: 25.6V 32Ah/48Ah; Power: 150W
Integrated Solar Street Light - Sensing Distance: 20-25m; Working Temperature: -20℃~+60℃; Color Temperature: 6000K; Battery Capacity: 25.6V 32Ah/48Ah; Power: 150W
Solar Powered Street Lamp - Sensing Distance: 20-25m; Working Temperature: -20℃~+60℃; Color Temperature: 6000K; Battery Capacity: 25.6V 32Ah/48Ah; Power: 150W

Technical Parameters:

Product Attribute	Technical Parameters
Voltage	25.6V
Power	150W
Sensing Distance	20-25m
Working Temperature	-20℃~+60℃
Color Temperature	6000K
Lighting Angle	140°

Solar Panel	Monocrystalline Silicon
Waterproof Level	IP65
Lighting Time	More Than 12 Hours
Warranty	3 Years

Applications:

Yahua Lighting's **Integrated Solar Street Light** (YHZ-SSL) is a revolutionary solar powered street lamp that combines intergrated solar lighting system technology and modern design. It is CE IP65 ROHS ISO certified and comes with anti-collision and shatterproof packaging. The minimum order quantity is 1 and the price ranges from USD105-249. Delivery takes 5-8 days and payment can be made through T/T, Western Union and MoneyGram. The supply ability is 500Pcs/month. This solar powered street lamp is powered by 150W and the color temperature is 6000K. The installation height is 9-12m and it is made of aluminum alloy. The sensing distance is 20-25m.

Customization:

We provide custom services for Yahua Lighting's Integrated Solar Street Light (Model: YHZ-SSL). This all-in-one integrated solar lamp uses monocrystalline silicon solar panels and has a waterproof level of IP65. It comes with a 140° lighting angle, a power of 150W, and a 9-12m installation height. It is certified with CE IP65 ROHS ISO for your assurance. The minimum order quantity is 1 and the price range is USD105-249. We offer anti-collision and shatterproof packaging for delivery and payment terms include T/T, Western Union, MoneyGram. Our supply ability is 500Pcs/month.

Support and Services:

Technical Support and Service for Integrated Solar Street Light

We are committed to providing our customers with the highest quality products and services. We understand that customers may have questions or need assistance with their Integrated Solar Street Light. That's why we've created a comprehensive Technical Support and Service team that can be contacted for any issue or problem.
We provide a variety of Technical Support and Service, such as:
Installation assistance and troubleshooting
Product updates and upgrades
Maintenance and repair services
On-site technical support
Online technical support via email or live chat
Our Technical Support and Service team is available 24/7 to answer any questions and provide assistance. We will work with our customers to ensure that they are completely satisfied with their Integrated Solar Street Light.

Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping:
The street light is packaged in a box to ensure that it is protected and not damaged during shipping.
The box is then packed in a larger box with padding to protect it during transit.
The box is then shipped via the chosen shipping method.

FAQ:

Q1: What is the brand name of this Integrated Solar Street Light?
A1: The brand name of this Integrated Solar Street Light is Yahua Lighting.
Q2: What is the model number of this Integrated Solar Street Light?
A2: The model number of this Integrated Solar Street Light is YHZ-SSL.
Q3: Where is this Integrated Solar Street Light made?
A3: This Integrated Solar Street Light is made in China.
Q4: What certifications does this Integrated Solar Street Light have?
A4: This Integrated Solar Street Light has CE IP65 ROHS ISO certifications.
Q5: What is the minimum order quantity of this Integrated Solar Street Light?
A5: The minimum order quantity of this Integrated Solar Street Light is 1.
