Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Waterproof Level: IP66
- Color Temperature: 5000K-6000K
- Luminous Flux: 150-160LM/W
- Power: 60W 80W 100W
- Battery Capacity: 25.6V 32Ah/48Ah
- Light Source: LED
- Material: Aluminum Alloy
- Lighting Angle: 140°
- Highlight: All In One Solar Light 80W, Shatterproof Solar Integrated Lamp, 160LM/W All In One Solar Light

Product Description

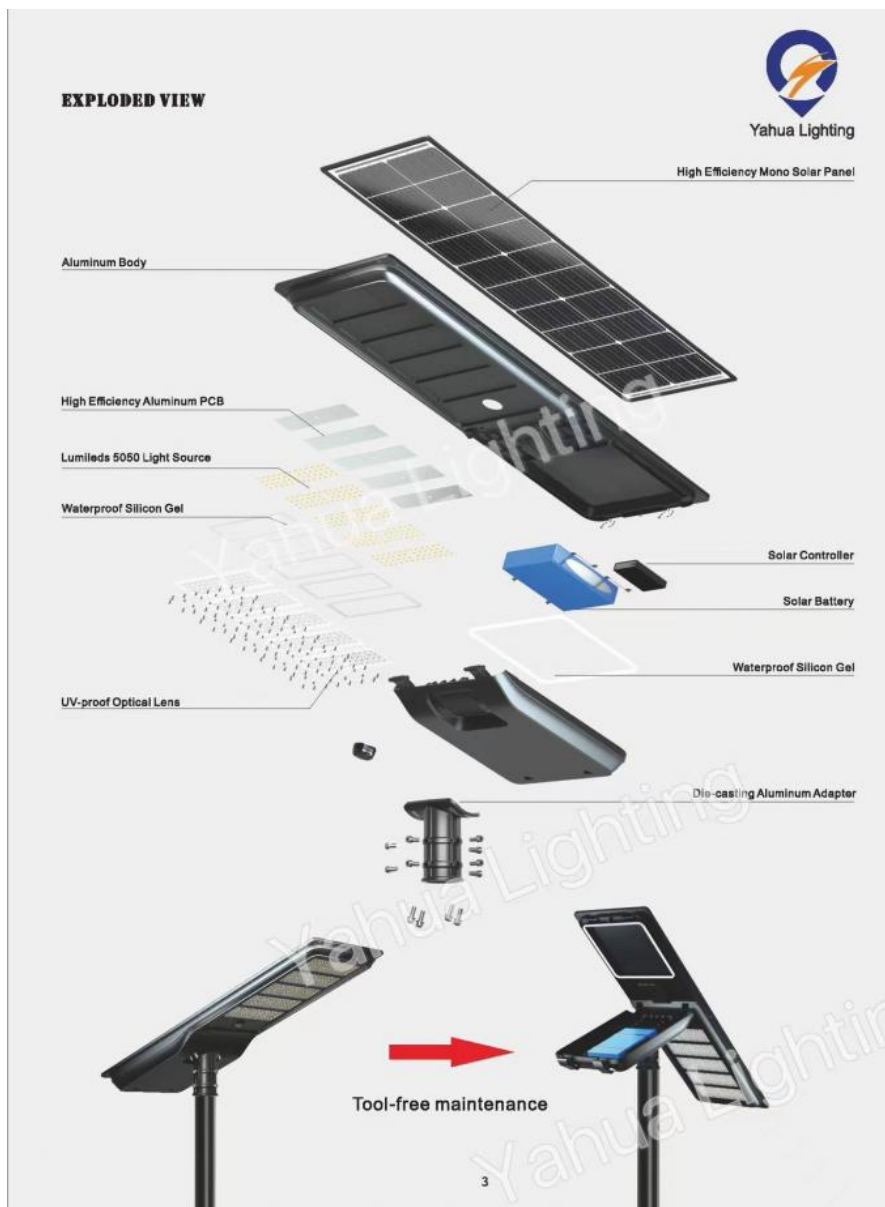

Product Description:

Integrated Solar Street Light is a kind of energy-saving, environment-friendly and cost-effective lighting solution for outdoor lighting. Made of high-quality aluminum alloy material, this integrated solar street light is strong and durable enough to weather all kinds of bad weather, which allows it to be used for a long time. With its 25.6V voltage and 100W power, it can provide more than 12 hours of lighting to the surrounding area at a 140° lighting angle. It is a great choice for those who are looking for a reliable, energy-efficient and cost-effective lighting solution to improve the safety and visibility of their outdoor space.

Integrated Solar Street Light features integrated design, which combines solar panel, LED lamp, battery and controller into one single product. It is a perfect choice for road, street or other outdoor lighting applications, and it is easy to install and maintain. With its advanced solar powered technology, this Integrated Solar Street Light can convert solar energy into electrical energy and store it in the built-in battery, which allows it to provide continuous lighting even in the absence of sunlight.

Integrated Solar Street Light is a cost-effective, reliable and eco-friendly lighting solution for outdoor lighting needs. It is perfect for roads, streets, parks, gardens, backyard, driveway, etc., providing a reliable, energy-efficient and cost-effective lighting solution to improve the safety and visibility of your outdoor area. Choose Integrated Solar Outdoor Light and Integrated Solar Streetlamp for your outdoor lighting needs, and enjoy the benefits of energy-saving, environment-friendly and cost-effective lighting solution.

Features:

Product Name: Integrated Solar Street Light
 Light Source: LED
 Voltage: 25.6V
 Lighting Angle: 140°
 Lighting Time: More Than 12 Hours
 Warranty: 3 Years
 Integrated Solar Streetlamp
 Integrated Solar Outdoor Light
 Intergrated Solar Lighting System

Technical Parameters:

Parameter	Specification
Product Name	Integrated Solar Street Lighting, All-in-one Solar Lamp, Solar Powered Outdoor Light
Lighting Angle	140°
Battery Capacity	25.6V 32Ah/48Ah
Voltage	25.6V
Color Temperature	6000K
Material	Aluminum Alloy
Power	150W

Light Source	LED
Waterproof Level	IP66
Luminous Flux	150-160LM/W
Solar Panel	Monocrystalline Silicon

Applications:

Integrated Solar Street Lighting from Yahua Lighting (YHZ-SSL) offers a reliable, efficient and cost-effective solution for outdoor lighting. It is certified with CE, IP65, ROHS and ISO, ensuring its quality and safety. This product is designed with anti-collision and shatterproof packaging to guarantee its durability. It is available with minimum order quantity of 1, and with competitive prices ranging from USD105 to 249. Delivery can be completed in 5-8 days through payment methods such as T/T, Western Union and MoneyGram. The supply ability is up to 500Pcs/month. It is designed to light up more than 12 hours with a power of 150W and battery capacity of 25.6V 32Ah/48Ah. The material used to produce this product is aluminum alloy and the light source is LED.

Customization:

Customize Yours: Yahua Lighting Integrated Solar Street Light

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 1

Price: USD105-249

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 500Pcs/month

Lighting Angle: 140°

Solar Panel: Monocrystalline Silicon

Power: 150W

Voltage: 25.6V

Material: Aluminum Alloy

Yahua Lighting offers you the most reliable and efficient Integrated Solar Street Light. Our Solar Powered Outdoor Light is made of the highest quality monocrystalline silicon solar panels and aluminum alloy material. It is CE, IP65, ROHS, and ISO certified to ensure maximum safety and performance. It offers a lighting angle of 140° and a power of 150W. With a voltage of 25.6V, this Integrated Solar Streetlamp is sure to last you for a long time. Order now at a price of USD105-249 and get it delivered in 5-8 days. We accept payment through T/T, Western Union, and MoneyGram.

Support and Services:

Integrated Solar Street Light provides technical support and service, including but not limited to:

Providing technical advice and consultation.

Providing product installation, debugging and maintenance services.

Providing comprehensive technical training.

Providing product quality assurance.

Providing accessories and spare parts.

Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping

The integrated solar street light is packaged with bubble wrap and boxed. The box is then sealed with tape for added security. For larger orders, the lights may be packaged in a larger box with several layers of bubble wrap and foam. The box is then sealed with tape.

The integrated solar street light is shipped via ground shipping. The light is shipped with a tracking number for traceability.
