Product Description

Product Description:

Our LED Flood Light is the perfect solution for stadiums, farms, schools, parks, and squares. It has a CRI of more than 80, which provides superior color rendering capabilities and a luminous flux of up to 30000lm. It also includes a rechargeable feature, which allows for extended usage time. Protected by a waterproof IP65 rated housing, the 400w Outdoor Lamp IP65 Waterproof LED Flood Light is an ideal choice for outdoor lighting, providing a bright and long-lasting illumination. It also comes packaged in a sturdy carton box for added convenience. With its 150w LED flood light, it can easily be used for stadium projector lamp lighting, as well as for other outdoor lighting applications.
