

30W-200W High Brightness Die Casting Aluminum All In One LED Solar Street Light

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Yahua Lighting
- Certification: CE NSF DLC FCC
- Model Number: YHZ-SSL-200W
- Minimum Order Quantity: 1 SET
- Price: \$0.51~\$0.35
- Packaging Details: 300X300X300cm 9.10 kg
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 50000

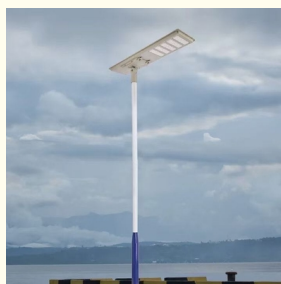

Product Specification

- Light Efficiency: 120Lm/w
- Color Temperature: 6500K
- IP Grade: IP65
- Beam Angle: 120°
- Charge Time: 8 Hours
- Working Time: 12 Hours
- Installation Space Distance: 15-20 Meters
- Lamp Size: 500*220*45mm
- Warranty: 3 Years
- Highlight: **6500K All In One Solar Light, Aluminum Integrated LED Solar Street Light, 200W LED Solar Street Light**

All In One Solar Street Light

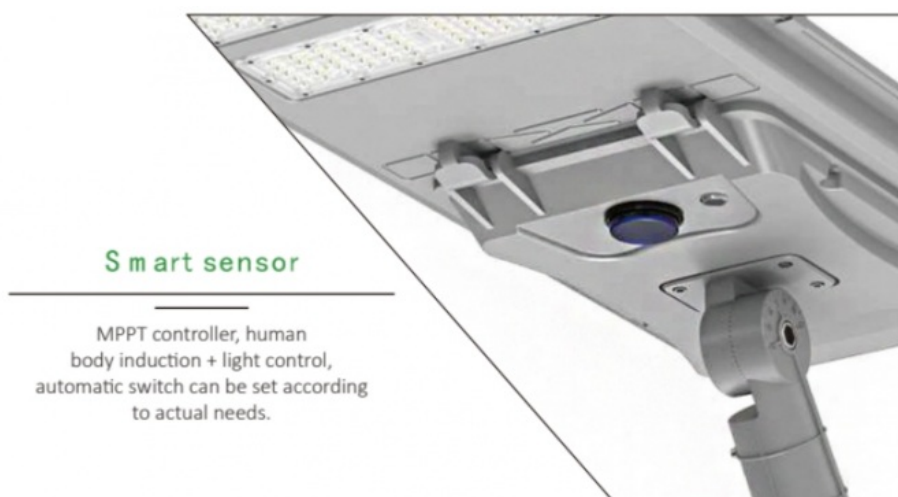

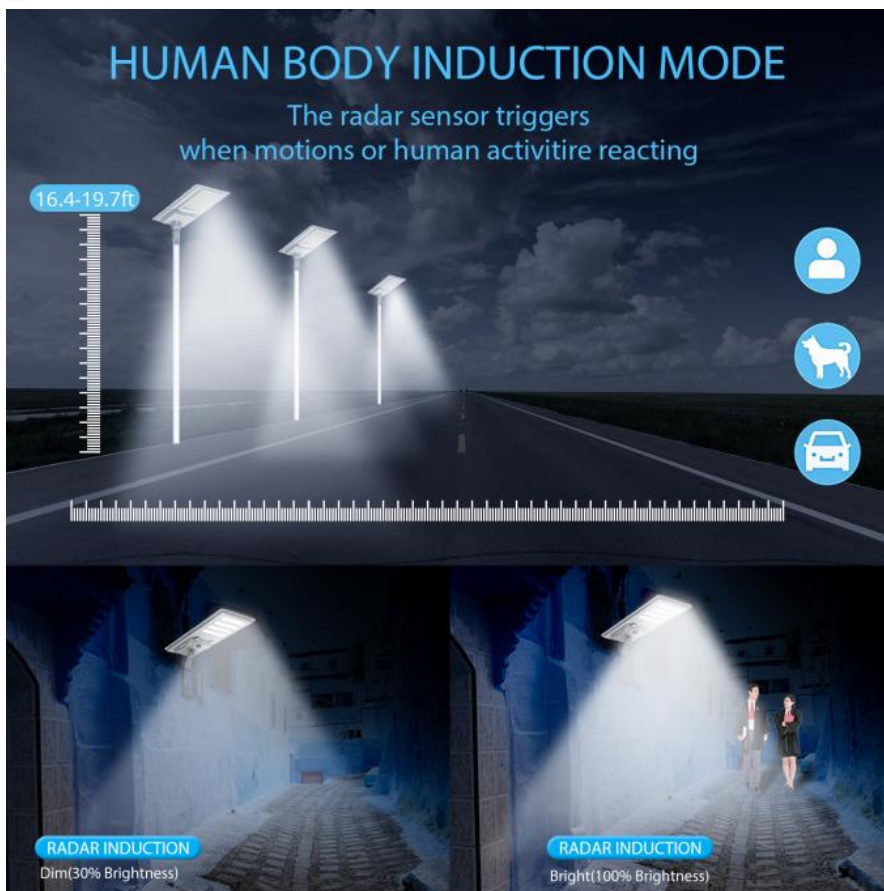

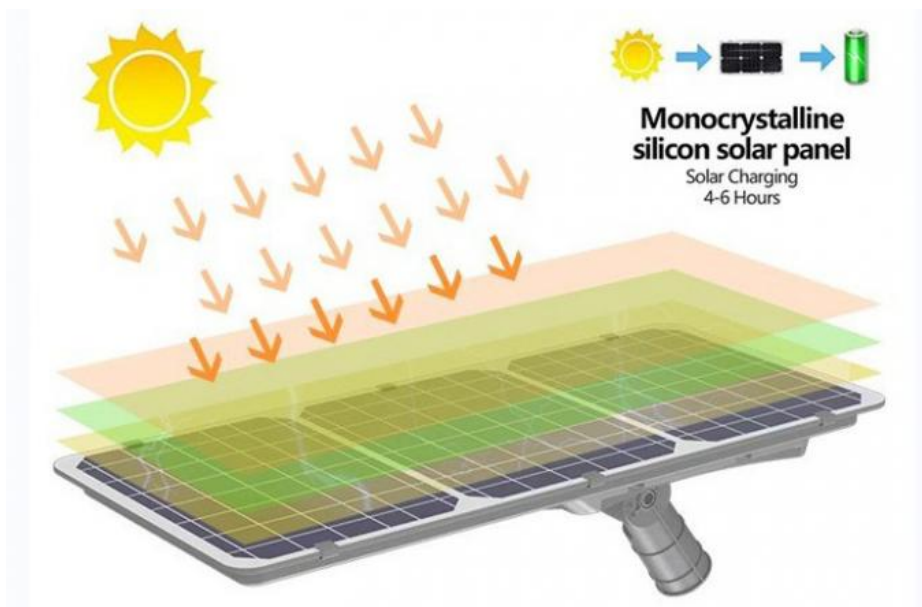

Products Description

Introducing the Dusk till Dawn Solar Outdoor Lights, an innovative lighting solution with a patent-pending design. These lights are built with convenience in mind, as they require no cables for installation. Find the perfect spot, and the lights are ready to be installed hassle-free. With its easy installation process, you can save time and effort while enjoying reliable outdoor lighting. This solar street light has multiple fields of application, making it suitable for various settings. Whether you need to illuminate your garden, patio, pathway, or driveway, these lights will provide a reliable and energy-efficient lighting solution.

Features

1. **Lithium Battery:** These lights are equipped with a high-quality lithium battery, ensuring long-lasting and reliable performance. The battery can efficiently store solar energy during the day to power the lights throughout the night.
2. **Infrared Solar Motion:** With infrared solar motion technology, the lights automatically detect movement within their range and illuminate the area. This feature provides enhanced security and convenience, as the lights only activate when needed.
3. **Light Weight Design:** The Dusk till Dawn Solar Outdoor Lights are designed to be lightweight, making them easy to handle and install. Their compact design also ensures they blend seamlessly into any outdoor environment.
4. **Rustproof:** These lights are built to withstand various weather conditions. The materials used in their construction are resistant to rust, ensuring durability and longevity in outdoor settings.
5. **Waterproof and Dustproof:** Featuring a robust and dustproof design, these lights can withstand rain, snow, and other harsh weather conditions. This makes them ideal for outdoor use, ensuring reliable performance regardless of the weather.

Technical Parameters

Light efficiency	120Lm/w
Light degradation rate	25000h ≤ 25%
Color temperature	6500K
IP grade	IP65
Beam angle	120°
Charge time	8 Hours
Working time	12 Hours
Installation height	5-6 m
Installation space distance	15-20 meters
Lamp Size	500*220*45mm
Warranty	3 years

Support And Services

1. High-Quality Components: We understand the importance of a reliable solar light system. That's why we ensure that all our all-in-one LED lights are made with the best components. This guarantees their longevity and performance, giving you peace of mind.
2. 5-Year Warranty: To further assure you of the quality and durability of our lights, we provide a minimum 5-year warranty. During this period, any issues with the Dusk till Dawn Solar Outdoor Lights will be covered, and we will provide necessary repairs or replacements free of charge.
3. Post-Warranty Technical Service: Even after the warranty period expires, Yahua Lighting continues to offer free technical service. If you encounter any difficulties or have questions about maintaining or troubleshooting the lights, our team is here to assist you.
4. Spare Parts and Costs: While free technical service is provided after the warranty period, any replacement spare parts required, as well as the associated costs and delivery charges, will be the responsibility of the customer.
5. Exclusions from Warranty: It's important to note that the warranty does not cover damage caused by natural disasters, acts of war, misapplication, accidents, neglect, any unauthorized modifications, or repairs.
