IP65 6000K Solar Powered LED Street Light Lithium Iron Phosphate Battery SMD3030

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500 pcs/month

Product Specification

- Life Span: 50,000hrs+
- Led Chip: SMD3030
- Battery: Lithium Iron Phosphate Battery
- Luminous Flux: 150lm/w
- Color Temperature: 3000K-6500K
- IP Rating: IP65 Waterproof
- Lighting Mode: Remote Control+Light Control+Radar Sensor
- Highlight: **SMD3030 Integrated Solar Light,
6000K Solar Powered LED Street Light,
Waterproof Integrated Solar Light**

Product Description:

Introducing our Solar Street Light, featuring an extra slim lamp shell design available in white, gray, or black. With a remarkable lumen efficiency of 150lm/w, it delivers super bright illumination. High conversion rate monocrystalline silicon photovoltaic panels ensure optimal energy absorption. The inclusion of a 20-30m radar/motion sensor energy-saving model enhances efficiency. Additionally, the product comes with a 3-year warranty and requires an installation diameter of Φ78 mm, offering both reliability and convenience.

Features:

- 1. Integrated Design: The light features an integrated design with a high-capacity LiFePO4 lithium battery that is lightweight, high-energy, and long-lasting. It is environmentally friendly, producing no harmful substances.
- 2. High-Efficiency LED Chip: The light incorporates an imported LED chip with high light efficiency, reaching up to 180LM/W. The entire lamp's light efficiency can reach at least 160LM/W.
- 3. Advanced Controller: All series use MPPT/PWM controllers, increasing charge efficiency by 15%-30%.
- 4. High-Efficiency Solar Cell: The design incorporates high-efficiency solar cells with a conversion rate of over 22%.
- 5. Easy Installation and Maintenance: The product offers convenient installation and maintenance, eliminating the need for cable installation or special light poles. Its modular design allows for quick and hassle-free replacement of functional components.

Technical Parameters:

Solar Panel(MONO)	65W(Mono)
High-capacity lithium battery	Built-in 340WH
Luminous flux(All light pattern)	8100lm
Working mode	4H100% 4H50% 4H25%
Solar panel charge time	8H strong sunlight
Color temperature	3000-7000K
Induction angle	130°C 20m
Storage temperature	0-55°C
Operating humidity	≤90%RH
Waterproof level	IP66
Product size	1134*398.6*54mm
Product package dimensions	1143*411*142mm(2PCS/CTN)

Support and Services:

Solar LED Street Light technical support and service include:
Installation and maintenance services

Emergency repair services

Regular maintenance checks

24/7 customer service

Fault diagnosis and troubleshooting

Replacement parts and components

Software updates and upgrades

Packing and Shipping:

The packaging and shipping of Solar LED Street Light is as follows:

Packaging: The Solar LED Street Light is packed in a cardboard box with foam lining. The box is secured with bubble wrap and strapped with a plastic belt to ensure a safe delivery.

Shipping: The Solar LED Street Light is shipped via a reliable courier service. The delivery time is estimated to be within 3-5 business days.

FAQ:

Q: What is Yahua Solar Street Lighting?

A: Yahua Solar Street Lighting is a brand of solar LED street lights made in Guangdong, China, with certifications from CE, IP65, ROHS, and ISO.

Q: What type of packaging does it come in?

A: Yahua Solar Street Lighting is packaged with anti-collision and shatterproof materials.

Q: How long does the delivery take?

A: Delivery times may vary, but generally Yahua Solar Street Lighting can be delivered within 5-8 days.

Q: What payment methods are accepted?

A: Yahua Solar Street Lighting accepts T/T, Western Union, and MoneyGram as payment methods.

Q: How many pieces can be supplied each month?

A: Yahua Solar Street Lighting can supply up to 500 pieces per month.
