

Aluminum LED High Bay Light Super Brightness 100W 150W 200W Commercial High Bay Light Fixture

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- Beam Angle: 60/90/120°
- Luminous Flux: 140-150lm/w
- Input Voltage: AC100-277V/ AC85-265V/ AC100-305V
- Material: Aluminum
- Working Temperature(°C): -30-60
- Warranty: 3Year/5Years
- Reflector: Aluminum/PC
- Lifespan: 50,000hrs
- Highlight: **Aluminum 200w High Bay Light,
Aluminum High Bay Light Fixture,
120LM/W Commercial LED High Bay Light**

Product Description

Overview

10 Years Production Experience In The Industry

UNBEATABLE ILLUMINATION – This high quality and powerful high bay light gives off industry-leading illumination! It's commercial grade compatibility and high lumens easily make this light the best choice when it comes to wide and clear illumination! With up to 130 lumens per watt, this is easily one of the highest performing lights in the industry. On top of all this, this light is compatible with reflector (Need to be ordered separately) to provide up to 20% uplight!

FAST & EASY INSTALLATION - The effortless 3-minute installation process will save you the headaches and frustration that other light installations cause. Safety Rope to make installing this light that much easier! This will save you time and energy to work on other projects!

STRONG AND DURABLE – This amazing lamp features an IP65 water resistant and dustproof design. It's commercial grade, durable properties make it the toughest and most versatile light on the market. Never worry about this product being damaged from outdoor weather conditions! The pure aluminum cold forged housing provides excellent thermal transfer to extend component life and keep it from becoming damaged. It's operation temperature is -104 to 122 degrees Fahrenheit.

BEAUTIFUL & UNIQUE DESIGN – The lightweight, low profile and circular/UFO-like design makes this high bay light the most unique and beautiful product on the market. On top of all these light's beautiful characteristics, it is also dimmable! This professional, stylish, and unique look offers its customers a supreme lighting experience.

Model	100W	150W	200W	300
Led Qty	125PCS	175PCS	250PCS	300PCS
Lamp Size	Φ400*H300mm	Φ400*H300mm	Φ450*H310mm	Φ480*H350mm
Irradiation Area	120M²	150M²	200M²	250M²
Light Source	SMD2835(Custom)			
IP Rating	IP65			
Lamp Life	50000 hours			
Lighting time	10-20H			
Power Factor(PF)	0.65			
Color of housing	Silver			
Luminous Efficacy	100LM/w			

IP65 Waterproof

LED high bay light can work in hot or cold weather (-4°F~120°F). Waterproof grade IP65.

2835 LED Lamp Beads

Multiple SMD2835lamp beads in a single lensuniform light and long-lasting brightness

Aluminium Lamp Body
Multiplerefraction grooves, make
the reflected light more softand
uniform,and the irradiation area is
wider

Thickened Aluminium Power Box

Metal housing design, short circuit protection againstrainwater,safe and reliable.

Tow Installations

bracket / hooking hang for options

120 Standard Angle

Pure Aluminum Beads-patternShape Reflectorlarge irradiation area,bright and uniform light.

Fin Radiator

Multiple fins increase the contact surrace with air.and adopt strong convection heat dissipation design toaccelerate the heat dissipation speed.
