ABS 180w 240w 300w Integrated Solar Street Light Motion Control 140° Lighting Angle 6000K

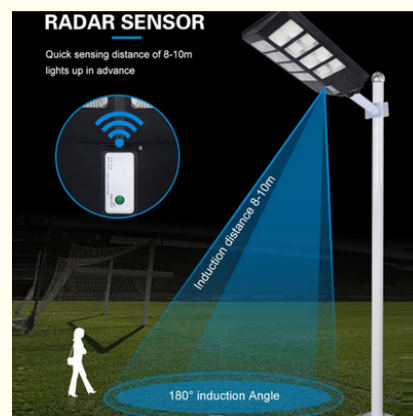

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

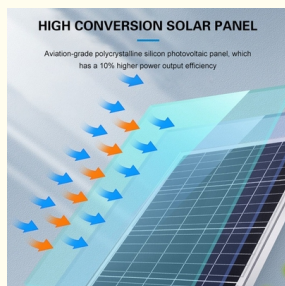

Product Specification

- Working Temperature: -20°C~+60°C
- Material: Aluminum Alloy
- Solar Panel: Monocrystalline Silicon
- Installation Height: 9-12m
- Sensing Distance: 20-25m
- Waterproof Level: IP65
- Warranty: 3 Years
- Lighting Time: More Than 12 Hours
- Highlight: **Monocrystalline Silicon Solar Street Lamp, Aluminum Alloy 600W Solar Street Light, 800W Integrated Solar Street Light**

Product Description

Wattage	180w	240W	300W
Lamp Body Size(mm)	447*342*70	597*342*70	677*342*70
Solar Panel Power	18W	25W	30W
Solar Panel Size(mm)	335*360	335*510	335*590
Battery Capacity	15AH	24AH	30AH
LED Chip	SMD*480	SMD*640	SMD*800
IP Rating	Waterproof IP66		
Material	ABS		
Application	Highway,Road,Park,Outdoor,etc.		
Warranty	2 Years		

Features:

1. Ultra-Bright Lighting: The solar street light is equipped with 640 super-bright LED beads and a 3.2v-20000mAh battery, delivering a powerful 100000LM illumination with a bright 6800K daylight color. It provides exceptional brightness, illuminating every corner.
2. High-Efficiency Solar Panel: The solar parking lot light operates solely on solar power, eliminating electricity costs. It features a high-conversion-rate polycrystalline solar panel with an impressive 23% efficiency. It can be fully charged during the day and provide up to 14 hours of operation and up to 36 hours at low brightness. The stable voltage ensures a longer lifespan.
3. Dual-Sided Wide-Angle Lighting: Unlike regular single-sided solar street lights, the LED solar street light from SZPOWER offers upgraded 180° dual-sided wide-angle lighting. With more LED beads, it provides brighter light and a wider illumination range, covering an area of 2000-2500 square feet, ensuring safety and convenience for nighttime travel.
4. 3 Lighting Modes: Mode 1: Continuous lighting throughout the night at 100% brightness. Mode 2: 100% brightness when motion is detected, and 30% brightness during other nighttime periods. Mode 3: Timed settings with automatic shutdown after 2/3/5/6/8 hours.
5. Remote Control and 4 Brightness Levels: The SZPOWER solar light comes with a remote control for adjusting the lighting modes remotely. It offers four adjustable brightness levels (100%/75%/50%/25%).
6. IP66 Waterproof: With an IP66 waterproof and dustproof rating, the solar street light is designed to withstand various weather conditions such as rain, snow, or heavy water splashes. It provides super-bright illumination for streets, roads, parking lots, basketball courts, sports stadiums, backyards, front yards, and gardens.
7. Easy Installation: The solar street light can be easily installed on poles or walls using the provided accessories. It does not require wiring, offering a hassle-free setup.

FAQ

Q1: Are you a manufacturer or a trade company?

A1: We are a manufacturer, we have our own factory, we can guarantee the delivery and quality of our products.

Q2: Can I have a sample order for led light?

A2: Yes, we welcome sample order to test and check quality. Mixed samples are acceptable.

Q3: What about the lead time?

A3: Samples within 3 days, big order within 1-2 weeks.

Q4: Do you have any MoQ limit for led light order?

A4: Low MOQ, 1 pcs for sample checking is available.
