Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- Warranty: 3Year/5Years
- Working Temperature(°C): -30-60
- Color Temperature: 3000K/4000K/5000K/6000K
- Material: Aluminum
- IP Rating: IP65/IP66
- Input Voltage: AC100-277V/ AC85-265V/ AC100-305V
- Light Source: LED Brand Chips
- Power: 60W, 100W, 150w, 200w, 250w, 300w, 400w Available
- Highlight: **High Bay Lighting 5000K,
LED Chips High Bay Lighting**

Product Description

Product Description:

LED High Bay Light

Product Overview:

The LED High Bay Light is a high-quality indoor lighting product, designed and manufactured by Gungdong China. It is a hot sale item with a powerful luminous flux of 140-150lm/w, making it an excellent choice for high bay lighting solutions.

Key Features:

Luminous Flux: With a luminous flux of 140-150lm/w, the LED High Bay Light provides bright and efficient lighting, making it an ideal choice for large indoor spaces.

Color Options: Available in three colors- white, dark, and grey, the LED High Bay Light can be customized to suit different indoor environments.

Warranty: The product comes with a 3-year or 5-year warranty, providing customers with peace of mind and assurance of its high quality and durability.

IP Rating: The LED High Bay Light has a high IP rating of IP65/IP66, making it suitable for use in both indoor and outdoor environments, ensuring protection against dust and water.

Working Temperature: With a working temperature range of -30°C to 60°C, this high bay light is designed to withstand extreme weather conditions, making it a reliable lighting solution for various indoor spaces.

Keywords: highbay lights, Gungdong China, hot sale, indoor, 5years warranty, ufo high bay light

Features:

Product Name: LED High Bay Light

CRI: >80

Beam Angle: 60/90/120°

Working Temperature(°C): -30-60

IP Rating: IP65/IP66

Lifespan: 50,000hrs

5000K led highbay Lights for warehouse

Product Description

Yahua Lighting's LED High Bay Light is an excellent choice for industrial lighting needs. With its high lumen output and waterproof design, it is perfect for use in gyms, shops, factories, stadiums, and commercial spaces.

Superior Quality and Design

Our LED High Bay Light is manufactured using the latest technology and highest quality materials, ensuring a long lifespan and reliable performance. With a CRI of >80, it provides excellent color rendering, making it ideal for any environment.

High Lumen Output

Our LED High Bay Light has a luminous flux of 140-150lm/w, providing bright and uniform lighting. This makes it perfect for large spaces and high ceilings, where traditional lighting may fall short.

Customizable Beam Angle

The LED High Bay Light comes with a beam angle of 60/90/120°, allowing for customizable lighting options depending on your needs.

This makes it suitable for a variety of applications.

Long Warranty Period

We stand behind the quality of our products and offer a 3-year/5-year warranty, ensuring your satisfaction and peace of mind.

Easy Installation and Maintenance

Our LED High Bay Light is designed for easy installation and maintenance, saving you time and hassle. Its IP65 rating ensures protection against dust and water, making it suitable for outdoor use as well.

Application

The LED High Bay Light is perfect for a wide range of industrial and commercial applications, including:

Gyms

Shops

Factories

Stadiums

Commercial spaces

With its high lumen output, customizable beam angle, and superior quality, the LED High Bay Light from Yahua Lighting is the ideal solution for all your industrial lighting needs.

Introducing Yahua Lighting's LED High Bay Light – the perfect solution for all your industrial and commercial lighting needs. Our customizable high bay light is designed to provide excellent performance and reliability, making it the top choice for many businesses in the market.

With Yahua Lighting, you can trust that our products are of the highest quality. Our LED High Bay Light is manufactured in Guangdong, China – a hub for cutting-edge technology and innovation. This means that you can expect nothing but the best from our highbay lights.

Our LED High Bay Light comes with a 5-year warranty, giving you peace of mind and assurance that you are making a wise investment. We stand by the quality of our products and are confident that they will exceed your expectations.

Our LED High Bay Light is equipped with the latest technology, providing a luminous flux of 140-150lm/w. This means that you can enjoy bright and efficient lighting, while also saving on energy costs.

Our high bay light is made with high-quality aluminum material, ensuring durability and longevity. It can withstand harsh working conditions and has a working temperature range of -30-60°C.

The reflector of our LED High Bay Light is made of aluminum or PC, providing optimal light distribution and minimizing glare. This makes it the perfect choice for indoor spaces such as gyms, shops, factories, stadiums, and commercial buildings.

Trust Yahua Lighting for all your LED lighting needs. Contact us today to learn more about our LED High Bay Light customization services.

Packing and Shipping:

Packaging and Shipping of LED High Bay Light

Each LED High Bay Light is carefully packaged to ensure safe delivery to our customers. The packaging materials are chosen to protect the product from any damage during transportation.

The packaging process includes:

Wrapping the LED High Bay Light in a layer of bubble wrap to provide cushioning and prevent scratches.

Placing the wrapped light in a sturdy cardboard box.

Filling any empty spaces in the box with packing peanuts or air pillows for added protection.

Sealing the box with packaging tape.

For bulk orders, the LED High Bay Lights are packed in larger boxes or on pallets for easier handling and shipping.

We offer various shipping options to suit our customers' needs, including standard ground shipping, expedited shipping, and international shipping.

Our team carefully inspects each package to ensure that all items are included and packed correctly before sending them out for delivery.

Once the package is shipped, we provide our customers with a tracking number so they can monitor the delivery status of their order.

At LED High Bay Light Co., we strive to provide our customers with a hassle-free and efficient packaging and shipping process to ensure their satisfaction with our products.
