#### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

#### Product Specification

- Working Temperature(°C): -30-60
- Luminous Flux: 140-150lm/w
- Warranty: 3Year/5Years
- Color: White/Dark/Grey
- Application: Gym, Shop, Factory, Stadium, Commercial Etc
- IP Rating: IP65/IP66
- CRI: >80
- Lifespan: 50,000hrs
- Highlight: **300w LED Warehouse Lighting,**  
**200w LED Warehouse Lighting,**  
**Energy-Saving LED Warehouse Lighting**

## Product Description

### Product Description:

Product Overview - LED High Bay Light

The LED High Bay Light is a highly efficient and energy-saving lighting solution designed specifically for industrial factories, warehouses, and workshops. With its durable construction and high-quality components, this product is built to provide long-lasting, reliable lighting for any industrial setting.

Key Features

Input Voltage: AC100-277V/ AC85-265V/ AC100-305V

Color Options: White/Dark/Grey

Warranty: 3Year/5Years

Luminous Flux: 140-150lm/w

Reflector Options: Aluminum/PC

Industrial LED Flood Light Fixtures

The LED High Bay Light is designed to be the perfect solution for industrial lighting needs. Its high luminous flux of 140-150lm/w provides bright and efficient lighting, making it ideal for large industrial spaces. The adjustable beam angle allows for customizable lighting, making it suitable for a variety of settings and needs.

5 Years Warranty UFO High Bay Light

We stand behind the quality and durability of our product, which is why we offer a 5-year warranty for the LED High Bay Light. This ensures that our customers can have peace of mind knowing that their lighting solution is built to last and will continue to provide reliable lighting for years to come.

150W 200W 300W LED Warehouse Lighting

With a wide range of wattage options, including 150W, 200W, and 300W, the LED High Bay Light is suitable for a variety of industrial lighting needs. These wattage options provide flexibility and allow for customizable lighting solutions based on the size and needs of the space.

High Efficiency and Energy Saving

The LED High Bay Light boasts high efficiency and energy-saving capabilities, making it a cost-effective lighting solution. With its high luminous flux and low energy consumption, this product can help businesses save on their energy bills while still providing bright and reliable lighting.

IP65 Waterproof and Durable

The LED High Bay Light is designed to withstand harsh industrial environments. With its IP65 waterproof rating, it is protected against dust and water, ensuring its longevity and durability. This makes it suitable for use in industrial settings where dust, moisture, and other harsh elements may be present.

Choose Quality with LED High Bay Light

When it comes to industrial lighting, quality and durability are key. The LED High Bay Light is designed with high-quality components and materials, ensuring its long life and reliable performance. With its customizable features, energy-efficient design, and durable construction, this product is the perfect lighting solution for industrial factories, warehouses, and workshops.

### Features:

Product Name: LED High Bay Light

Lifespan: 50,000hrs

Warranty: 3Year/5Years

Luminous Flux: 140-150lm/w

Application: Gym, Shop, Factory, Stadium, Commercial Etc

Material: Aluminum

Good performance LED spotlight

High brightness industrial lighting

5 years warranty UFO high bay light

### Technical Parameters:

Technical Parameters	LED High Bay Light
CRI	>80
Application	Gym, Shop, Factory, Stadium, Commercial Etc
Lifespan	50,000hrs
Warranty	3Year/5Years
IP Rating	IP65/IP66
Input Voltage	AC100-277V/ AC85-265V/ AC100-305V
Luminous Flux	140-150lm/w
Color Temperature	3000K/4000K/5000K/6000K

Beam Angle	60/90/120°
Material	Aluminum

**Good Performance LED Spotlight**

The LED High Bay Light has a CRI of >80, making it a great choice for indoor lighting with high color accuracy and vibrant colors. Its high luminous flux of 140-150lm/w guarantees bright and efficient lighting in any space. Its long lifespan of 50,000hrs ensures durability and low maintenance costs, making it a **hot sale high bay light indoor** .

**Multiple Applications**

This LED High Bay Light is suitable for a variety of indoor spaces such as gyms, shops, factories, stadiums, and commercial buildings. Its versatile design makes it a perfect choice for any space that requires bright and efficient lighting.

**IP65/IP66 Rating**

With an IP rating of IP65/IP66, this LED High Bay Light is highly resistant to dust and water, making it suitable for both indoor and outdoor use. Its sturdy aluminum material also ensures durability and reliability in any environment.

**Flexible Input Voltage**

The LED High Bay Light has a wide input voltage range of AC100-277V/ AC85-265V/ AC100-305V, making it suitable for use in different countries and regions. It also has a color temperature range of 3000K/4000K/5000K/6000K, allowing you to choose the perfect lighting for your space.

**Wide Beam Angle**

This LED High Bay Light offers a beam angle of 60/90/120°, providing wide and uniform lighting coverage for any space. Its efficient design ensures that no space is left in the dark.

**Long Warranty**

The LED High Bay Light comes with a 3-year or 5-year warranty, depending on your choice. This warranty guarantees the quality and performance of the product, giving you peace of mind and confidence in your purchase.

**Applications:**

LED High Bay Light - Perfect Lighting Solution for Industrial Spaces

If you are looking for a high-quality and energy-efficient lighting solution for your industrial space, look no further than Yahua lighting's LED High Bay Light. With its superior performance and long lifespan, this product is a top choice for warehouses, factories, workshops, and other industrial facilities.

Brand Name: Yahua lighting

Model Number: YHZ-HBL

Place of Origin: China

Certification: CE, RoHS, IP65, ISO9001

Minimum Order Quantity: 1

Price: USD19-49

Packaging Details: Foam + carton plus + wooden case

Delivery Time: 3-7days

Payment Terms: T/T, Wester union, Paypal, Credit Card

Supply Ability: 8000PCS/Month

Key Features:

High Lumen Output: With a luminous flux of 140-150lm/w, this LED high bay light is able to provide bright and efficient lighting for your industrial space.

Color Temperature Options: Choose from 3000K/4000K/5000K/6000K to create the ideal lighting atmosphere for your specific needs.

Long Lifespan: With a lifespan of 50,000 hours, this LED high bay light is built to last and requires minimal maintenance, saving you time and money in the long run.

High CRI: With a CRI of over 80, this LED high bay light ensures accurate color rendering, making it easier to work in your industrial space.

Wide Beam Angle: The adjustable beam angle of 60/90/120° allows for flexible and precise lighting, ensuring that every corner of your industrial space is well-lit.

IP65 Waterproof Rating: This LED high bay light is designed to withstand harsh industrial environments, with an IP65 waterproof rating that protects it from dust, water, and other elements.

Energy Efficient: With its high luminous efficiency and low power consumption, this LED high bay light can help you save on energy costs and reduce your carbon footprint.

Application and Usage Scenarios:

Yahua lighting's LED High Bay Light is suitable for a variety of industrial spaces, including:

Warehouses: Whether it's a large distribution center or a small storage facility, our LED high bay light can provide bright and efficient lighting for your warehouse operations.

Factories: From assembly lines to production areas, our LED high bay light can improve visibility and enhance productivity in your factory.

Workshops: With its high CRI and adjustable beam angle, this LED high bay light is perfect for precision work in workshops.

Industrial Facilities: Whether it's a power plant, a manufacturing plant, or any other industrial facility, our LED high bay light can provide reliable and durable lighting for your operations.

Overall, Yahua lighting's LED High Bay Light is a versatile and cost-effective solution for all your industrial lighting needs. With its high performance, long lifespan, and various customization options, it is the perfect choice for any industrial space. Don't hesitate to contact us for more information or to place your order today!

## Packing and Shipping:

LED High Bay Light

Packaging and Shipping

Our LED High Bay Light is carefully packaged to ensure safe and secure delivery to our customers. Each unit is packed in a sturdy cardboard box with ample padding and protection to prevent any damage during shipping.

The dimensions of the box are specifically designed to fit the product snugly and minimize any excess space that could cause movement during transit. This helps to prevent any potential damage to the product and ensures that it arrives in perfect condition.

Our packaging also includes clear labeling to indicate the fragile nature of the product and to ensure that it is handled with care during shipping.

For shipping, we use reliable and trusted courier services to ensure that your order arrives on time and in pristine condition. We also offer tracking information so that you can easily monitor the progress of your shipment.

At LED High Bay Light, we take great care in packaging and shipping our products to ensure that they reach our customers in excellent condition. Order now and experience the quality and reliability of our packaging and shipping services.

## FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is Yahua lighting.

Q: What is the model number of this product?

A: The model number of this product is YHZ-HBL.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: What certifications does this product have?

A: This product is certified with CE, RoHS, IP65, and ISO9001.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1.

Q: What is the price range for this product?

A: The price for this product ranges from USD19-49.

Q: How is this product packaged?

A: This product is packaged with foam, carton, and wooden case.

Q: How long is the delivery time for this product?

A: The delivery time for this product is 3-7 days.

Q: What are the payment terms for this product?

A: The payment terms for this product are T/T, Wester union, Paypal, and Credit Card.

Q: What is the supply ability for this product?

A: The supply ability for this product is 8000PCS per month.
