- CRI: >80
- Highlight: **Outdoor LED Floodlight,
Waterproof LED Floodlight,
50000 Working Time LED Floodlight**

Product Description

Product Description:

Product Overview: LED Flood Light 200W

The LED Flood Light 200W is a high-performance and durable lighting solution suitable for various outdoor applications. With a lifespan of 50,000 hours and a high CRI (>80), this flood light guarantees long-lasting and high-quality lighting.

Key Features:

Lifespan of 50,000 hours ensures long-term usage and cost-effectiveness.

High CRI (>80) ensures natural and accurate color rendering for enhanced visibility and safety.

Waterproof IP66 rating guarantees protection against harsh weather conditions and allows for outdoor usage in various environments.

Suitable for a wide range of applications including squares, farms, schools, parks, and stadiums.

Product Details:

The LED Flood Light 200W is a powerful and efficient lighting solution perfect for illuminating large outdoor areas. It is designed with advanced LED technology to deliver bright and uniform lighting, making it ideal for stadium lighting projects.

With a lifespan of 50,000 hours, this flood light offers long-term usage and minimal maintenance, making it a cost-effective lighting solution. The high CRI (>80) ensures that colors appear natural and vibrant, making it suitable for various outdoor applications where accurate color rendering is essential.

The waterproof IP66 rating makes this flood light suitable for outdoor usage in various environments, providing reliable lighting even in harsh weather conditions. This makes it a perfect choice for lighting up squares, farms, schools, parks, and stadiums.

Invest in the LED Flood Light 200W for high-quality and long-lasting lighting that meets your outdoor lighting needs.

Features:

Product Name: LED Flood Light

CRI: >80

Light Source: LED

Application: Squares, Farm, School, Park, Stadium

Color Temperature: 2700k-6000k

Luminous Flux: 30000lm

Key Features:

High quality LED floodlight

Provides >80 CRI for accurate color rendering

Suitable for a variety of applications such as squares, farms, schools, parks, and stadiums

Color temperature can be adjusted from 2700k to 6000k

Produces a bright luminous flux of 30000lm

Ideal for use as a stadium projector lamp

Energy efficient and long-lasting LED technology

Durable outdoor lighting fixture

Available in a 200W model

Technical Parameters:

Technical Parameters	150W LED Flood Light
Lifespan	50,000 hours
CRI	>80
Color Temperature	2700K-6000K
Feature	Rechargeable
Package	Carton Box
Material	Aluminum
Working Time (hours)	50000
IP Rating	IP66
Application	Squares, Farm, School, Park, Stadium
Luminous Flux	30000lm

Applications:

LED Flood Light - Yahua Lighting

Welcome to Yahua Lighting, the leading manufacturer of outdoor LED flood lights in China. Our brand, Yahua Lighting, is known for its

high-quality and innovative lighting solutions. Our model number YHZ-FL is a top-of-the-line LED flood light that is perfect for various applications.

Product Description

Brand Name: Yahua Lighting

Model Number: YHZ-FL

Place of Origin: China

Certification: CE, ROH, IP65, ISO9001

Minimum Order Quantity: 1

Price: USD19-69

Packaging Details: Foam + carton plus + wooden case

Delivery Time: 3-7days

Payment Terms: T/T, Wester union, Paypal, Credit Card

Supply Ability: 8000PCS/Month

Product Features

Rechargeable: Our LED flood light comes with a rechargeable battery, making it perfect for outdoor use.

Material: Made with high-quality aluminum, our LED flood light is durable and can withstand harsh weather conditions.

Working Time (hours): With a working time of 50000 hours, our LED flood light has a long lifespan and is energy-saving.

Light Source: Our LED flood light uses LED as its light source, providing bright and efficient lighting.

CRI: With a CRI of over 80, our LED flood light ensures accurate and natural colors.

Application

Our LED flood light is perfect for various outdoor applications such as:

High Mast LED Flood Light: Our LED flood light is perfect for illuminating large areas such as sports stadiums, airports, and industrial complexes.

Waterproof Floodlight Outdoor: With an IP65 waterproof rating, our LED flood light can withstand rain, snow, and other harsh weather conditions, making it ideal for outdoor use.

Security Lighting: Our LED flood light is suitable for providing bright and efficient lighting for security purposes in parking lots, warehouses, and other outdoor areas.

Packing and Shipping:

Packaging and Shipping for LED Flood Light

Packaging:

Our LED Flood Light is carefully packaged to ensure safe and secure delivery to our customers. Each light is individually packed in a strong and durable cardboard box, lined with protective foam to prevent any damage during transportation. The box is also labeled with clear and detailed product information for easy identification.

For larger orders, the lights are packed in a sturdy and compact shipping pallet, with layers of bubble wrap and foam padding in between each box for added protection.

Shipping:

We offer reliable and efficient shipping services for our LED Flood Light to customers all over the world. The shipping methods available are:

Standard Ground Shipping: This is the most cost-effective option for domestic orders and usually takes 3-5 business days for delivery.

Expedited Shipping: For urgent orders, we offer expedited shipping with a guaranteed delivery time of 1-2 business days.

International Shipping: We ship globally and offer various shipping options to suit different needs and budgets. Delivery times vary depending on the destination country.

Once your order is shipped, you will receive a tracking number via email to track your package's journey to your doorstep.

For any special shipping requests or questions, please contact our customer service team for assistance.
Thank you for choosing our LED Flood Light. We hope it will provide you with bright and reliable lighting for years to come.
