Rechargeable LED Flood Light

Product Description:

LED Flood Light

LED Flood Light is a waterproof outdoor lighting solution designed to provide bright and long-lasting illumination for various outdoor spaces. With a lifespan of 50,000 hours, it is a reliable and energy-efficient option for residential, commercial, and industrial applications.

Key Features

Waterproof design for outdoor use

Long lifespan of 50,000 hours

CRI (Color Rendering Index) of >80 for accurate color representation

Available in 50w, 100w, and 200w options

Wide range of color temperatures from 2700k to 6000k

Comes in a sturdy carton box packaging

Waterproof Floodlight Outdoor

One of the most important features of LED Flood Light is its waterproof design. This makes it suitable for outdoor use, even in harsh weather conditions. Whether it's raining, snowing, or windy, you can trust LED Flood Light to provide reliable and consistent lighting without any risk of damage.

Energy-Efficient LED Technology

LED Flood Light uses the latest LED technology, which is known for its energy efficiency and long lifespan. Compared to traditional lighting options, such as incandescent or fluorescent bulbs, LED lights consume significantly less energy, resulting in lower electricity bills and reduced carbon footprint.

Versatile Applications

LED Flood Light is suitable for a variety of outdoor spaces, making it a versatile lighting solution. It is ideal for lighting up squares, farms, schools, parks, and even stadiums. Its wide beam angle and bright illumination make it perfect for both small and large outdoor areas.

Color Temperature Options

LED Flood Light offers a wide range of color temperature options, from warm white (2700k) to cool white (6000k). This allows you to choose the perfect lighting for your specific needs and preferences. Whether you want a cozy and warm ambiance or a bright and cool atmosphere, LED Flood Light has got you covered.

Conclusion

If you're looking for a reliable, energy-efficient, and versatile outdoor lighting solution, LED Flood Light is the perfect choice. With its waterproof design, long lifespan, and various options for color temperature and wattage, it is suitable for a wide range of applications. And with its sturdy carton box packaging, you can trust that it will arrive at your doorstep in perfect condition. Upgrade your outdoor lighting with LED Flood Light and enjoy bright and efficient illumination for years to come.

Applications:

LED Flood Light for Various Applications

The Yahua lighting YHZ-FL LED Flood Light is a reliable and high-quality lighting solution for various outdoor applications. With its advanced features and superior performance, it has gained a reputation as one of the best flood lights in the market.

Product Overview

Our LED Flood Light is designed and manufactured in China, with strict adherence to international standards. It is certified with CE, ROH, IP65, and ISO9001, ensuring its quality and safety. With a minimum order quantity of 1, it is suitable for both personal and commercial use.

Key Features

High CRI (>80) for accurate color rendering

Luminous Flux of 30000lm for bright and efficient lighting

IP66 rating for waterproof and dustproof performance

Wide range of color temperature options (2700k-6000k) for different lighting needs

Energy-saving LED technology for cost-effective operation

Applications and Scenarios

The Yahua lighting YHZ-FL LED Flood Light is suitable for various outdoor applications and scenarios, including:

Stadium lighting: With its high luminous flux and wide beam angle, this flood light is ideal for lighting up large stadiums and sports fields.

Security lighting: Its bright and efficient lighting makes it a great choice for security purposes, ensuring visibility and deterring potential intruders.

High mast lighting: Equipped with a high mast bracket, this flood light is perfect for illuminating large outdoor areas such as parking lots, airports, and seaports.

Flood light fixtures: Its compact and durable design makes it suitable for various flood light fixtures, providing efficient lighting for outdoor spaces.

Pricing and Packaging

The Yahua lighting YHZ-FL LED Flood Light is competitively priced at USD19-69, making it an affordable option for both personal and commercial use. It is packaged with foam and a carton box, and for larger orders, wooden cases are also used to ensure safe delivery.

Order and Delivery

With a supply ability of 8000PCS/month, our LED Flood Light can be ordered in large quantities and delivered within 3-7 days. We accept various payment methods, including T/T, Western Union, Paypal, and Credit Card, for easy and convenient transactions.
