Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- CRI: >80
- Working Temperature(°C): -30-60
- Light Source: LED Brand Chips
- Power: 60W, 100W, 150w, 200w, 250w, 300w, 400w Available
- Beam Angle: 60/90/120°
- Input Voltage: AC100-277V/ AC85-265V/ AC100-305V
- Color Temperature: 3000K/4000K/5000K/6000K
- Color: White/Dark/Grey
- Highlight: 4000K LED High Bay Light,
6000K LED High Bay Light,
Gymnasiums LED High Bay Light

Product Description

Product Description:

LED High Bay Light

As a leading LED high bay light manufacturer, we are proud to introduce our latest product - the LED High Bay Light. Designed for high-ceiling spaces such as warehouses, factories, and gymnasiums, our LED high bay light offers superior lighting performance and energy efficiency.

Product Attributes

Luminous Flux: 140-150lm/w

Power: 60W, 100W, 150W, 200W, 250W, 300W, 400W Available

Light Source: LED Brand Chips

Color: White/Dark/Grey

Input Voltage: AC100-277V/ AC85-265V/ AC100-305V

Product Features

Superior Luminous Flux: Our LED high bay light offers a luminous flux of 140-150lm/w, providing bright and clear lighting for large spaces.

Power Options: With a range of power options from 60W to 400W, our LED high bay light can meet the lighting needs of various spaces.

Long-lasting Light Source: Equipped with LED brand chips, our high bay light has a longer lifespan compared to traditional lighting sources.

Multiple Color Options: Available in white, dark, and grey, our LED high bay light can blend in with different interior designs.

Wide Input Voltage Range: Our high bay light is designed to work with various input voltages, making it suitable for different countries and regions.

Energy Efficient: With a luminous efficiency of 140-150lm/w, our LED high bay light consumes less energy compared to traditional high bay lights, resulting in cost savings for our customers.

Waterproof Design: Our high bay light has a waterproof rating of IP65, making it suitable for outdoor use or in environments with high humidity.

Product Application

Our LED high bay light is suitable for a wide range of applications such as:

Warehouse Lighting: With its high luminous flux and energy efficiency, our LED high bay light is an ideal choice for lighting up large warehouse spaces.

Factory Lighting: The bright and clear lighting provided by our LED high bay light is perfect for enhancing productivity and safety in factories.

Gymnasium Lighting: Our high bay light is also suitable for lighting up large indoor sports facilities such as gymnasiums, providing excellent visibility for athletes and spectators.

Applications:

LED High Bay Light

Brand Name: Yahua lighting

The LED High Bay Light from Yahua lighting, known for its high quality and eco-friendly lighting solutions, is the perfect choice for all your industrial and commercial lighting needs. Designed and manufactured in China, this product is certified with CE, RoHS, IP65, and ISO9001, ensuring its safety and reliability.

Model Number: YHZ-HBL

The YHZ-HBL LED High Bay Light is available in 150w, 200w, and 300w variants, making it suitable for a variety of indoor spaces such as warehouses, factories, gyms, shops, and stadiums. Its hot sale status in the market is a testament to its superior performance and efficiency.

Place of Origin: China

The LED High Bay Light is proudly designed and manufactured in China, using the latest technology and high-quality materials. This ensures that the product meets international standards and provides reliable and long-lasting lighting solutions.

Certification: CE, RoHS, IP65, ISO9001

The YHZ-HBL LED High Bay Light is certified with CE, RoHS, IP65, and ISO9001, ensuring its safety, quality, and compliance with international standards. This makes it a trustworthy and reliable choice for all your lighting needs.

Minimum Order Quantity: 1

With a minimum order quantity of 1, the LED High Bay Light is accessible to all customers, from individual users to large-scale commercial and industrial projects.

Price: USD19-49

Despite its high quality and superior performance, the LED High Bay Light is priced competitively at USD19-49, making it a cost-effective choice for all your lighting needs.

Packaging Details: Foam + carton plus + wooden case

The LED High Bay Light is carefully packaged using foam, carton box, and wooden case to ensure safe delivery of the product to your doorstep. This also makes it suitable for international shipping.

Delivery Time: 3-7days

With a quick delivery time of 3-7 days, the LED High Bay Light is the perfect choice for urgent or time-sensitive projects, ensuring that your lighting needs are met on time.

Payment Terms: T/T, Wester union, Paypal, Credit Card

We offer flexible payment options, including T/T, Western Union, Paypal, and Credit Card, making it convenient for customers to

purchase the LED High Bay Light from Yahua lighting.
Supply Ability: 8000PCS/Month

With a supply ability of 8000PCS per month, Yahua lighting ensures that the LED High Bay Light is always available to meet the demands of its customers.
IP Rating: IP65/IP66

The LED High Bay Light has an IP rating of IP65 or IP66, making it waterproof and suitable for use in both indoor and outdoor environments.
Luminous Flux: 140-150lm/w

The LED High Bay Light boasts a high luminous flux of 140-150lm/w, providing bright and efficient lighting for your space while also saving energy and reducing your electricity bill.
Light Source: LED Brand Chips

Equipped with high-quality LED brand chips, the LED High Bay Light provides superior lighting with a long lifespan, making it a cost-effective and eco-friendly choice for your lighting needs.
Application: Gym, Shop, Factory, Stadium, Commercial Etc

The LED High Bay Light is suitable for a wide range of applications, such as gyms, shops, factories, stadiums, and commercial buildings, providing efficient and reliable lighting solutions for different environments and purposes.
Color Temperature: 3000K/4000K/5000K/6000K

The LED High Bay Light is available in different color temperatures, including 3000K, 4000K, 5000K, and 6000K, allowing you to choose the perfect lighting for your space and creating a comfortable and productive environment.
Experience the Superior Performance of Yahua lighting's LED High Bay Light

With Yahua lighting's LED High Bay Light, you can experience high-quality, efficient, and eco-friendly lighting for your industrial and commercial spaces. Its wide range of applications, high IP rating, and reliable certification make it the perfect choice for all your lighting needs. Don't miss out on this cost-effective and superior performance lighting solution, order now!

Packing and Shipping:

LED High Bay Light Packaging and Shipping

Our LED High Bay Light is packaged and shipped with utmost care to ensure safe delivery to our customers. Here is a breakdown of our packaging and shipping process:

Packaging: Each LED High Bay Light is individually packed in a sturdy carton box to protect it from any damage during transit.

Padding: To provide additional protection, we use foam padding and bubble wrap to secure the light inside the box.

Labeling: All packages are clearly labeled with the product name, quantity, and any necessary handling instructions.

Shipping: We offer various shipping options to our customers, including express delivery for urgent orders. Our shipping partners are reliable and experienced in handling delicate products.

Tracking: Once your order has been shipped, you will receive a tracking number to monitor the status of your delivery.

Rest assured that our packaging and shipping methods are designed to ensure your LED High Bay Light arrives in perfect condition. If you have any questions or concerns regarding your shipment, please do not hesitate to contact us.

FAQ:

Q: What is the brand name of this product?
A: The brand name of this product is Yahua lighting.

Q: What is the model number of this product?
A: The model number of this product is YHZ-HBL.

Q: Where is this product made?
A: This product is made in China.

Q: What certifications does this product have?
A: This product has CE, RoHS, IP65, and ISO9001 certifications.

Q: What is the minimum order quantity for this product?
A: The minimum order quantity for this product is 1 piece.

Q: What is the price range for this product?
A: The price for this product ranges from USD19 to USD49.

Q: How is this product packaged?
A: This product is packaged with foam, carton, and wooden case.

Q: What is the delivery time for this product?
A: The delivery time for this product is 3-7 days.

Q: What are the payment terms for this product?
A: The payment terms for this product are T/T, Western Union, Paypal, and Credit Card.

Q: What is the supply ability for this product?

A: The supply ability for this product is 8000 pieces per month.
