Integrated All In One Solar Street Light with Lithium Iron Phosphate Battery 300-500W 5000K

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500 pcs/month

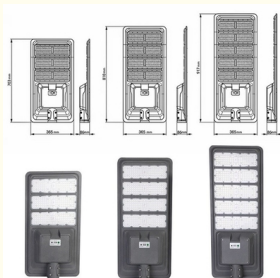

Product Specification

- Model Name: All In One Solar Street Lighting
- Application: Road , Street , Yard, Park, Garden Etc
- Battery: Lithium Iron Phosphate Battery
- Led Chip: SMD3030
- Material: Aluminum Alloy
- Color Temperature: 3000K-6500K
- Lighting Mode: Remote Control+Light Control+Radar Sensor
- Highlight: **5000K Solar Street Light,**
100-300W Solar Street Light,
Integrated All In One Solar Street Light

Product Description

Meticulously crafted from robust aluminum, the Aluminum Integrated Solar LED Street Light presents exceptional durability and resilience, capable of withstanding even the harshest weather conditions. Utilizing cutting-edge SMD3030 LED chip technology, it emits radiant and uniform light, substantially improving visibility and safety in diverse outdoor environments. Flexibility and convenience are ensured through the light's adaptable lighting modes, which can be effortlessly controlled via either a remote or light control mechanism. Equipped with a potent 3.2V/60000mAH battery, this solar street light offers prolonged performance, guaranteeing consistent illumination throughout the night. The high-efficiency 6V/60W polycrystalline solar panel effectively harnesses solar energy, optimizing charging efficiency and reducing reliance on external power sources. To underscore our commitment to customer satisfaction, we provide an ample 2-year warranty, offering both peace of mind and assurance of product quality.

Specification

Power	300/400/500W
Solar panel	40/45/53W
Battery	30/50/50AH
Lamp size	76x42x13/88x42x13/97x42x13cm
Material	Aluminum
Waterproofing	IP65
Working modes	Motion+light control+time control+remote
Charging time	5-6H
Discharging time	24-36H
Warranty	2 years
